NORTHAMPTON ACADEMY, A BOARDING SCHOOL FOR Boys and Girls, Easton, Pa.

This Institution will open its second quarter of the Spring Session on Monday the 4th of April, and continue eleven weeks, under a vacation of six weeks will follow. The Fall session will commence on Wednesday, the 29th of July, and continue twenty-two weeks. The building, a large four story brick edifice, (formerly known as "Temperance Hall") is now being re-modeled and fitted up expressly for a first class Seminary for the education of pupils of both sexes. The boarding pupils will occupy two separate buildings, arranged with private rooms. Experience has taught that it is decidedly disadvantageous for more than two pupils to occupy the same room. The accommodations and advantages of this school are of a superior order, and it designs to train and fit boys and young men thoroughly for college or business. To young ladies are offered excellent facilities for the acquisition of a solid or ornamental education. Competent teachers are employed. Having long experience in Teaching and devoting his whole attention to the business, the Principal hopes to merit a large share of public patronage, and would respectfully invite attention to his School. Terms, per quarter, in the common English branches, for Boarding Scholars, \$57 50. Tuition for Day Scholars from \$5 25 to \$8 00. Additional charges are made for the higher English branches and Classics. Extra charges for the modern languages and the ornamentals. Bills paid in advance. For Circulars and further information address REV. J. W. LESCHER, Principal, FERRY ST., near FRONT.

Caution.

Notice is hereby given, that I have leased unto Peter S. Bisbing, of Pocomo township, Monroe County, Pa., at my pleasure, one yoke of oxen. The public are cautioned against wedding with said property. JACOB BISBING, April 5, 1869.

THE GREATEST MEDICAL DISCOVERY OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures EVERY KIND OF HUMOR, FROM THE Worst Scrofula down to a common Pimple. Two bottles are warranted to cure a nursing sore mouth. One to three bottles will cure the worst kind of pimples on the face. Two or three bottles will clear the system of bales. Two bottles are warranted to cure the worst cancer in the stomach. Three or five bottles are warranted to cure the worst kind of Erysipelas. One or two bottles are warranted to cure all humor in the eyes. Two bottles are warranted to cure running of the ears and blotches among the hair. Four to six bottles are warranted to cure corrupt and running ulcers. One bottle will cure scaly eruptions of the skin. Two or three bottles are warranted to cure the worst kind of ringworm. Two or three bottles are warranted to cure the most desperate case of rheumatism. Three to four bottles are warranted to cure salt rheum. Five to eight bottles will cure the worst case of scrofula. One to three bottles are warranted to cure the worst case of dyspepsia. I know from the experience of thousands that it has, caused by a causer in the stomach. One to two bottles are warranted to cure sick headache. One to two bottles are warranted to regulate a rosy state of the bowels. One to two bottles will regulate all derangement of the kidneys. Four to six bottles have cured the worst cases of dropsy. One to three bottles have cured the worst case of piles; a relief is always experienced. What a mercy to get relief in such an excruciating disease!

Since my first discovery, I have from time to time added various other herbs to it; of one of them, Hippocrates, the Father of Medicine, says: "It is an herb of Jubiter, and in the sign Leo." "It openeth obstructions of the liver, gall and spleen; it is an especial friend to the liver, worth all other herbs put together; cooling it when too hot, and warming it when too cold." "It creates an appetite, cures all green and sinking feelings in the pit of the stomach, eases all pains and stitches in the side." "It cures the jaundice by opening the gall, and restores the native color of the body." "It expels all raw, viscous and slimy humor out of the body; it cleanseth all inward ulcers and congealed blood from the kidneys." "By opening obstructions of the spleen, it purgeth all burnt cholera and melancholy vapors which rise to the head and brain causing distressing headache, fearful foreboding of trouble, trembling of the heart, fainting and swooning." "The herb boiled in wine is particularly good to revive the drooping spirit of the aged, and whoever has a lingering sickness after a fever, nothing restoreth him to health so quick as drinking the juice of this herb." "The seeds boiled in water cure the most offensive breath, and drank at bedtime, prevent what is commonly called night mare, and all melancholy dreams, a disease obnoxious people are liable to." The Father of Medicine says of another herb in this composition, that "it is an herb of the Sun, and in the sign Leo." "The sun is the source of all life, and ruleth the heart; and this herb is the best cordial, the greatest strengthener of the heart, cures all palpitation thereof; taketh away trembling, beating and smothering of it; yet it must be taken carefully, or severe gripings will ensue which must be corrected with fennel seed or ginger." "So much for this herb, between which and the adder there is the utmost antipathy; so much so that the adder will not touch him that has the herb about him." No change of diet ever necessary—eat the best you can get and enough of it. Directions for use. Adults one table spoonful per day—Children over ten years, desert spoonful—Children from five to eight years, tea spoonful. As no directions can be applicable to all constitutions, take sufficient to operate on the bowels twice a day.

Mutual Fire Insurance Comp'

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company. The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms. Applications for Insurance to be made in person, or by letters addressed to WM. K. HAYLAND, Secretary, MANAGERS. J. Dupue Labar, Jacob Knecht, Richard S. Staples, Jacob Stouffer, Samuel D. Pipher, Charles H. Andre, Silas L. Drake, Theodore Schoch, Godlieb Auracher, Thomas W. HOWARD ASSOCIATION, PHILADELPHIA.

A Benevolent Institution established by special Emppowement, for the Relief of the Sick and Distressed, afflicted with Virulent & Epidemic Diseases.

The HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of diseases, in all their forms, and to give Medical advice gratis to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINE FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment. The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhoea, Seminal Weakness, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year. The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young; and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause. An admirable Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self Abuse, and other diseases of the Sexual Organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope), free of charge, on receipt of two stamps, for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, diet, &c. are constantly being sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value. Address, for Report or treatment, DR. J. SKILLIN HOUGHTON, Acting Surgeon, No. 2 South Ninth street, Philadelphia, Pa. By order of the Directors. EZRA D. HEARTWELL, Pres't. GEO. FAIRCHILD, Secretary. March 21, 1859.—1y.

THE LIVER INVIGORATOR,

Prepared by Dr. Sanford, Compounded entirely from Gums. Is one of the best Purgatives and Liver Medicines now before the public, that acts as a Cathartic, easier, milder, and more effectual than any other medicine known. It is not only a Cathartic, but a Liver remedy, acting first on the Liver to eject its morbid matter, then on the stomach and bowels to carry off that matter, thus accomplishing two purposes effectually, without any of the painful reactions experienced in the operations of most Cathartics. It strengthens the system at the same time that it purges it; and when taken daily in moderate doses, will strengthen and build it up with unusual rapidity. The Liver is one of the principal regulators of the human body; and when it fails, the powers of the system are fully and speedily dependent on its healthy action. The principal regulator of the system is the liver; when the liver fails, the system suffers in consequence—the Liver—has the duty of purging the system in a practice of more modern medicine. All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself. July 8, 1852. P. S. POSTENS.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
