NORTHAMPTON ACADEMY, A BOARDING SCHOOL FOR Boys and Girls, Easton, Pa.

This Institution will open its second? quarter of the Spring Session on Monday \$ the 4th of April, and continue cleven weeks, when a vacation of six weeks? will follow.

The Fall session will commence on § Wedne-day, the 29th of July, and conitnue twenty-two weeks.

The building, a large four story brick edifice, (formerly known as "Temperance \$ Hali") is now being re-modeled and fitted up expressly for a first class Seminsary for the education of pupils of both & sexes. The boarding pupils will occupy two separate buildings, arranged with private rooms. Experience has taught that ? it is decidedly disadvantageous for more than two pupils to occupy the same room. The accommodations and advantages of this school are of a superior order, and it designs to train and fit boys and young men thoroughly for college or business. To young ladies are offered excellent facilities for the acquisition ? of a solid or ornamental education.

Competent teachers are employed. Having long experience in Teaching ? and devoting his whole attention to the ? business, the Principal hopes to merit a ? large share of public patronage, and \$
