CATALOGUES SENT FREE.

Since I originated the Gift Book Store Enterprise, I have repeatedly called the attention of the public to my large stock of liberal offers, to which they have always responded. I can now, with more satisfaction than ever, call attention to my largely increased inducements to purchasers. Being very heavily engaged in publishing, I exchange my own publications for those of other houses, and am enabled to procure all my books at the original cost of making, and thus can do supply the majority of the other houses engaged in the Gift Book trade, with their books, cheaper than they can procure them from other publishers. I can also, by my heavy purchases of Watches and Jewelry, for cash, furnish them with their Gifts at lower rates than they can buy them from the manufacturers.

Having such an advantage in buying, I can insure my customers a great deal better Gifts with their books than any other house, and can give my agents a larger commission. A valuable Gift will be delivered with each Book at the time of sale. Gifts worth \$500, at the lowest wholesale prices, will be impartially distributed with every \$1,000 worth of Books sold.

Send for a catalogue, which will be mailed free to any address, containing the most valuable collection of Standard Productions in Literature, Philosophy, History, Geography, Travels, and the Sciences, with all the favorite works of Fiction and Romance, and every other department of Literature, classified as described below. Send for it, for if you don't wish to order books, you will obtain a very valuable Book for reference, as it contains all the desirable books in print, and will cost you nothing.

Particular attention is requested to the list of my publications, which will be found in the latter part of my Classified Catalogue. It contains a large number of deservedly popular works, by various authors; among which are all of T. S. Arthur's best works, well known as a moral, instructive, and pleasing author, also, interesting biographies, travels, &c.

Agents Wanted Everywhere.

To agents I can give more liberal inducements than can be afforded by any other house. In addition to larger commissions, it is much easier to get subscribers for my enterprise than any other.

The peculiar advantages are—A larger stock, better catalogues to select from. A better assortment and Quality of Gifts. More punctuality and correctness in filling orders. By acting as agents for me, persons wishing a valuable library can procure it gratis.—Those seeking an easy method of earning a livelihood can find it. For full particulars, send for a catalogue.

My large capital, together with my long experience in the business, and consequent familiarity with all its details, gives me an almost incalculable advantage over all other parties.

All I ask is a trial. Send me an order, and you will be convinced that there is no exaggeration.

DO NOT FORGET TO SEND FOR A CATALOGUE. Persons visiting the City, are requested to call and examine for themselves.

Special Notice To Book Buyers.

My attention has been called to statements made through the public journals, by a New York Gift Store, which are calculated to deceive; who even presume to advertise themselves as the originators of the Gift Book Enterprise, which was first successfully established, and I may say honorably conducted by myself. This concern who are proclaiming themselves "The Oldest in the business," are indebted to me, not only for their first ideas of conducting the business, but for stock to commence with, and a place to commence in. Their statement, that this is "The fifth year of their location in New York," is also false.

It has been thought, on account of the name connected with this New York Gift Book Store, that it was a branch of my Original Enterprise; but it is not so, and I wish it distinctly understood, that I am not in any way responsible for their deceptive advertisements, nor for the manner in which New York Gift concerns are conducted. And holding the position I do, as the originator of the Gift Book Enterprise in the United States—presently established it and brought it to its present high position, by constant labor, unwearied application, and large expenditure of money, I deem it my duty to the public and myself to expose these pretended "originators," who are attempting to impose upon the people. I would be publicly state that these parties have been referring, without authority or permission, to the largest and most widely known publishing house in the United States. I am informed by this firm, which is located in this city, that, not only have they never given permission to this New York Gift Store to refer to them, but that they utterly disclaim any knowledge of their business or standing. The foregoing can be substantiated to the satisfaction of any person or persons, by the most incontrovertible proofs.

NORTHAMPTON ACADEMY, A BOARDING SCHOOL FOR Boys and Girls, Easton, Pa.

This Institution will open its second quarter of the Spring Session on Monday the 4th of April, and continue eleven weeks, when a vacation of six weeks will follow.

The Fall session will commence on Wednesday, the 29th of July, and continue twenty-two weeks.

The building, a large four story brick edifice, (formerly known as "Temperance Hall") is now being re-modeled and fitted up expressly for a first class Seminary for the education of pupils of both sexes. The boarding pupils will occupy two separate buildings arranged with private rooms. Experience has taught that it is decidedly disadvantageous for more than two pupils to occupy the same room. The accommodations and advantages of this school are of a superior order, and it designs to train and fit boys and young men thoroughly for college or business. To young ladies are offered excellent facilities for the acquisition of a solid or ornamental education.

Competent teachers are employed.

Having long experience in Teaching and devoting his whole attention to the business, the Principal hopes to merit a large share of public patronage, and would respectfully invite attention to his School.

Terms, per quarter, in the common English branches, for Boarding Scholars, \$37 50.

Tuition for Day Scholars from \$5 25 to \$8 00.

Additional charges are made for the higher English branches and Classics.

Extra charges for the modern languages and the ornamentals. Bills paid in advance.

GIVE THEM A TRIAL! SILVER'S PLASTIC PAINTS: CHEAP, DURABLE AND PROTECTIVE, Weather and Fire-Proof.

These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Ocheres and Clays, and are entirely worthless.

Silver's Plastic Paints are Purely METALLIC, containing no Alum or Clay.

They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds.

There are six distinct colors, viz:—
Olive, | Light Brown | Light Chocolate,
Black, | Dark do. | Deep do.

All equally valuable as a preservative Paint and particularly adapted to painting

The outside of Buildings, Fences, Steamboats, Cars, Tin and Iron work.

REMEMBER! Exposure hardens and increases the Durability of these Paints.

DIRECTIONS—Mix with pure Linseed oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.

Mutual Fire Insurance Company

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.

The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

HOWARD ASSOCIATION, PHILADELPHIA.

A Benevolent Institution established by special Endowment, for the Relief of the Sick and Distressed, afflicted with Violent & Epidemic Diseases.

The HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, to open a Dispensary for the treatment of all Sexual diseases, and to give Medical advice gratis to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINE FREE OF CHARGE. It is need less to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhoea, Seminal Weakness, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self Abuse, and other diseases of the Sexual Organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope), free of charge, on receipt of two stamps, for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, diet, &c. are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.

Address, for Report or treatment, DR. J. SKILLIN HOUGHTON, Acting Surgeon, No. 2 South Ninth street, Philadelphia, Pa.

Those dealing with me intend shall be satisfied with the article they get, as well as the price, and whenever they are not, I will be pleased to have them return the liquor, and make the fact known, for I intend to make it a permanent business, and can only do so by dealing honorably. All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap Store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
