This Institution will open its second quarter of the Spring Session on Monday the 4th of April, and continue eleven weeks, when a vacation of six weeks will follow.

The Fall session will commence on 3 Wednesday, the 29th of July, and conitnue twenty-two weeks.

The building, a large four story brick edifice, (formerly known as "Temperance Hall") is now being re-modeled and fitted up expressly for a first class Seminary for the education of pupils of both § sexes. The boarding pupils will occupy two separate buildings, arranged with private rooms. Experience has taught that ? it is decidedly disadvantageous for more 2 than two pupils to occupy the same a room. The accommodations and advan- 2 tages of this school are of a superior order, and it designs to train and fit boys and young men thoroughly for college or business. To young ladies are offered excellent facilities for the acquisition of a solid or ornamental education.

Competent teachers are employed. Having long experience in Teaching

and devoting his whole attention to the business, the Principal hopes to merit large share of public patronage, and would respectfully invite attention to hi School.

Terms, per quarter, in the common 2 English branches, for Boarding Scholars, § \$37 50.

Tuition for Day Scholars from \$5 25 5 to \$8 00.

Additional charges are made for th higher English branches and Classics. Extra charges for the modern languages and the ornamentals. Bills paid in advance.
