I can also, by my heavy purchases of Watches and Jewelry, for cash, furnish them with their Gifts at lower rates than they can buy them from the manufacturers.

Having such an advantage in buying, I can insure my customers a great deal better Gifts with their books than any other house, and can give my agents a larger commission. ### Special Notice To Book Buyers.

My attention has been called to statements made through the public journals, by a New York Gift Store, which are calculated to deceive; who even presume to advertise themselves as the originator of the Gift Book Enterprise, which was first successfully established, and I may say honorably conducted by myself. This concern who are proclaiming themselves "The Oldest in the business," are indebted to me, not only for their first ideas of conducting the business, but for stock to commence with, and a place to commence in. Their statement, that this is "The fifth year of their location in New York," is also false.

It has been thought, on account of the name connected with this New York Gift Book Store, that it was a branch of my Original Enterprise; but it is not so, and I wish it distinctly understood, that I am not in any way responsible for their deceptive advertisements, nor for the manner in which New York Gift Store concerns are conducted. And holding the position I do, as the originator of the Gift Book Enterprise in the United States—having established it and brought it to its present high position, by constant labor, unremitting application, and large expenditure of money, I deem it my duty to the public and myself, to expose these pretended "originators," who are attempting to impose upon the people. I would here publicly state that these parties have been referring, without authority or permission, to the largest and most widely known publishing house in the United States. I am informed by this firm, which is located in this city, that, not only have they never given permission to this New York Gift Store to refer to them, but that they utterly disclaim any knowledge of their business or standing. The foregoing can be substantiated to the satisfaction of any person or persons, by the most incontrovertible proofs.

### Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth, and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending from parents to children, unto the third and fourth generation; indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which poisons the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by diseases which, although not scrofulous in their nature, are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

Their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alterative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

### AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times can devise for this every-where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERTIVE and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERY-SIPHELS, PIMPLES, PESTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, IRISGOWRIE, BRUICHAIRN, SYMPHITIC and MERCURIAL DISEASES, DROOP, DYSENTERIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITIATED OR IMPURE BLOOD. The popular belief in "impurity of the blood," is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, which when once health is impossible in contaminated constitutions.

**Ayer's Cathartic Pills,**  
FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures, and directions for their use in the following complaints: Coughs, Heartburn, Headache arising from a disordered Stomach, Nervous Indigestion, Pain in and Morbid Junction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kind complaints, arising from a low state of the body or obstruction of its functions.

### Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been rescued from alarming and even desperate diseases of the lungs by its use. When once tried, its superiority over every medicine of its kind is too apparent to escape observation, and where its virtue is not known, the public at large, who can but anticipate to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted that can never be forgotten, and produced cures too numerous and too remarkable to be forgotten.
