The price of the land is at the low sum of from \$15 to \$20 the production of Wheat, Clover, Corn, Peaches, Grapes and Vegetables. It is considered the best Fruit soil in the Union .-The place is perfectly secure from froststhe destructive enemy of the farmer. Crops of grain, grass and iruit are now growing and can be seen. By examining the place itsell, a correct judgment can be formed of the productiveness of the land. The terms are made easy to secure the rapid improvement of the land, which is only sold for actual improvement. The result has been. that within the past year, some three hun desirable and active place of business.
