NEW AGRICULTURAL SETTLEMENT.

To all wanting Farms A RARE OPPORTUNITY IN A DELIGHTFUL AND HEALTHY CLIMATE 25 MILES SOUHEAST OF PHILADELPHIA, ON THE CAMDEN AND ATLANTIC RAILROAD, NEW JERSEY.

An old estate consisting of several thousands of acres of productive soil has been divided into Farms of various sizes to suit the purchaser. A population of some Fifteen Hundred, from various parts of the mid dle States and New England have settled there the past year, improved their places. and raised excellent crops. The price of the land is at the low sum of from \$15 to \$20 per acre, the soil is of the best quality for the production of Wheat, Clover, Corn. Peaches, Grapes and Vegetables. It is considered the best Fruit soil in the Union .-The place is perfectly secure from frosts - torrhoea and private diseases generally, de- see for yourselves. Strangers taken to the destructive enemy of the farmer. Crops tailing the means by which invalids may ef- any part of the country at the shortest of grain, grass and truit are now growing fectually cure themselves without the use of notice. They will continue to run the and can be seen. By examining the place dangerous medicines, and at but little ex- new omnibus between this borough and doors of their customers, without extra charge. itself, a correct judgment can be formed of pense to themselves. Sent free by mail in a the Railroad Depot. Persons intending the productiveness of the land. The terms secure envelope, on the receipt of one stamp, to go on the railroad will be called for at Ice Cream of a variety of flavors, are made easy to secure the rapid improve ment of the land, which is only sold for ac tual improvement. The result has been. that within the past year, some three hun dred houses have been erected, two mills one steam, four stores, some forty vinyards and Peach orchards, planted, and a large number of other improvements, making it a desirable and active place of business.

THE MARKET, as the reader may perceive from its loca BEST IN THE UNION.

than double the price than the West. It is known that the earliest and best fruits and vegetables in this latitude come from New Jersey, and are annually exported to the ex tent of millions

In locating here, the settler has many ad vantages. He is within a few hours ride of the great cities of New England and Middle States, he is near his old friends and asso ciations, he is in a settled country where ev ery improvement of aomfort and civilization is at hand. He can boy every article he wants at the cheapest price, and sell his produce for the highest, (in the West this is reversed) he has schools for his children. divine service, and will enjoy an open win ter, and delightful climate, where fevers are utterly unknown. The result of the change upon those from the north, has generally been to restore them to an excellent state of

In the way of building and improving. lumber can be obtained at the mills at the every article can be procured in the place. good carpenters are at hand; and there is no place in the Union where buildings and im provements can be made cheaper.

The reader will at once oe struck with the advantages here presented, and ask himself why the property has not been taken up before. The reason is, it was never thrown in the market; and unless these statements were correct no one would be invited to ex amine the land before purchasing. This all are expected to do. They will see land under cultivation, such is the extent of the settlement that they will no doubt, meet per sons from their own neighborhood; they will witness the improvements and can judge the character of the population If they come with a view to settle, they should come pre pared to stay a day or two and be ready to purchase, as locations cannot be held on re-
