Balance of outstanding taxes for County purposes for 1859 and previous years \$939 97
Add to this amount balance due by Levi Slatter, late Treasurer of County taxes for 1858 and 1859 on unseated lands, which will be paid in June 1860, making a total of \$321 00
Deduct from this amount for outstanding checks, for 1859 and previous years \$1126 77
Leaving a net balance due the county, January 2nd, 1860 of \$7134 20
It may be proper to state here, that all former County Treasurers are paid off in full, and also, that there are at this time no judgments against the county. The only indebtedness against the county, which is not embraced in the above statement, is the deficit due by the County to the Commonwealth, which is about \$1700 00
After deducting, which would still leave a net balance due the County of outstanding taxes over and above all indebtedness, by the County, up to Jan. 2nd, 1860 of \$5434 30
