climate for health.** See advertisement of
Hammond Lands, in another column.

Scrofula, or King's Evil,
is a constitutional disease, a corruption of the
blood, by which this fluid becomes thickened,
weak, and more viscid. Being in the circulation,
it attacks the whole body, and may burst out in
disease on any part of it. No organ is free from
its attacks, nor is there one which it may not
destroy. The scrofulous taint is variously caused
by mercurial disease, low living, disordered
unhealthy food, impure air, filth, and filthy
habits, the depressing views, and above all, by
heredity. Whatever be its origin, it is hereditary
it is hereditary in the constitution, descending
"from parents to children unto the third and
fourth generation;" indeed, it seems to be the
rod of Jinn who says, "I will visit the iniquities
of the fathers upon their children."
Its effects commence by deposition from the
blood of corrupt or noxious matter, which, in
the lungs, liver, and internal organs, is termed
tubercles; in the glands, swellings; and on the
surface, eruptions or sores. This foul corrup-
tion, which renders in the blood, depresses the
energies of life, so that scrofulous constitutions
not only suffer from scrofulous complaints, but
they have far less power to withstand the attacks
of other diseases; consequently, vast numbers
perish by disorders which, although not scrofulous
in their nature are still rendered fatal by this
taint in the system. Most of the consumption
which decimates the human family has its
origin directly in this scrofulous contamination;
and many destructive diseases, such as
scrofulous, brain, and indeed, of all the organs, arise
from or are aggravated by the same cause.

One quarter of all our people are scrofulous;
their persons are invaded by this lurking infection,
and their health is undermined by it. To
clearse it from the system we must renovate the
blood by an alterative medicine, and invigorate
it by healthy food and exercise. Such a medi-
cine we supply in

**AYER'S
Compound Extract of Sarsaparilla,**
the most effectual remedy which the medical
science of our times can devise for this every-
where prevailing and fatal malady. It is com-
bined from the most active remedies that have been
discovered for the expurgation of this foul disor-
der from the blood, and the removal of the sys-
tem from its destructive consequences. Hence
it should be employed for the cure of not only
scrofula, but also those other affections which
arise from it, such as ERYTHEMA and SKIN DIS-
EASES, ST. ANTHONY'S FIRE, ROSE, or ERYSI-
PELAS, PIMPLES, PUSTULES, BLOTCHES,
BEAUNS and BOILS, TUBERCLES, FETTER, and
SALT RHEUM, SCALDS, HEADACHE, BRUISES,
BURNINGS, SYPHILITIC and MERCURIAL
DISEASES, DROPSY, DYSPPEPSIA, DEBILITY,
and, indeed, ALL COMPLAINTS ARISING FROM
VITIATED OR IMPURE BLOOD. The popular
belief in "impurity of the blood," is founded in
truth, for scrofula is a degeneration of the blood.
It is a purer and more abundant of the vital fluid,
without which sound health is impossible in
contaminated constitutions.

Ayer's Cathartic Pills,
FOR ALL THE PURPOSES OF A FAMILY PHYSIC,
are so composed that disease within the range of
their action can rarely withstand or evade them.
Their penetrating properties search, and cleanse,
and invigorate every portion of the human or-
ganism, correcting its diseased action, and restoring
its healthy vitalities. As a consequence of these
properties, the invalid who is bowed down
with pain or physical debility is astonished to
find his health or energy restored by a remedy
at once so simple and invigorating.

Not only do they cure the every-day
complaints of every body, but also many formidable
and dangerous diseases. The agent being named
is found to furnish gratis my American Almanac,
containing certificates of their cures, and
directions for their use in the following com-
plaints: *Catarrhs, Heartburn, Headache arising
from a disordered Stomach, Nervous Disorders,
Pain in the Mucous Membranes of the Bowels,
Flatulency, Loss of Appetite, Jaundice,* and other
kindred complaints, arising from a low state of
the body or obstruction of its functions.

Ayer's Cherry Pectoral,
FOR THE RAPID CURE OF
**Coughs, Colds, Influenza, Hoarseness,
Croup, Bronchitis, Incipient Consump-
tion, and for the relief of Consumptive
Patients in advanced stages of the dis-
ease.**

No wider is the field of its usefulness, and so
numerous are the cases of its cures, that almost
every section of country abounds in persons,
publicly known, who have been restored from
alarms and even desperate diseases of the
lungs by its use. When once tried, its superiority
over every other medicine of its kind is too
apparent to escape observation, and where its
virtues are known, the public no longer hesitate
what antidote to employ for the distressing and
dangerous affections of the pulmonary organs
that are incident to our climate. While many
inferior remedies thrust upon the community
have failed and disappointed, its genuine
benefits by every trial, conferred upon the
afflicted they can never forget, and produced
cures too numerous and too remarkable to be
forgotten.

GIVE THEM A TRIAL!
SILVER'S PLASTIC PAINTS:
CHEAP, DURABLE AND PROTECTIVE,
Weather and Fire-Proof.

These paints will stand any climate, with-
out crack or blister and harden by exposure,
thus making in time an enamel of stone,
protecting wood from decay, and iron and
other metals from rust and corrosion. They
differs, essentially, from the so-called mineral
paints of the day which are, principally, O-
cres and Chrys, and are entirely worthless.

Silver's Plastic Paints are Purely ME-
TALLIC, containing no Alumina or Clay.

They are levigated finely, mix readily with
Linseed Oil, (without the trouble of grind-
ing,) and flow under the brush as the best
White Lead, and excel all others in body or
covering properties, one pound of which will
cover as much surface, as two pounds of
White Lead, reducing the cost two-thirds.

There are six distinct colors, viz:—
Olive, Light Brown | Light Chocolate,
Black, Dark do. | Deep do.
