

The Jeffersonian. HURSDAY, FEBRUARY 23, 1860.

IF The Monroe Democrat, or rather his helper, in the last weeks issue, in-noticing our reply to a number of ground-2d instant, against the Republican party, prairies of the west has opened my eyes. less charges made by that paper, on the Helper, and ourselves, attempts to skulk reckless charges, by assorting our reply to can afford. Here, when I travel, how often do I miss those old substantial roads. be pointless and of the "cork screw order." Now the Democrats helper may be right macadamized by nature, which abound in in declaring our article to be of the "cork screw order," for it certainly has screwed plow how sensibly I miss the stumps and him up to that degree that he has nothing rocks which the agriculturalist has to ento say.

Every section has its advantages and dis-This is evident from the fact that h advantages, and it requires good discrimihad made some seven or eight charges a nation and sound judgment to determine gainst the parties indicated above, of the where the best locality. Here, in the valmost reckless and absurd character, all of which we denied, and clearly demon- ley of the Mississippi, we doubtless have ascil equal if not superior to any of equal strated that we were correct in so doing, extent on the globe. We have also run and dared him to face the music, or, by failing to do this, to show plainly to the public that he had asserted what he knew many who are worth thousands are owing to be fal-e. How does he meet us ! Why like a rebellious school boy, partly sub "Hard Times' and still have plenty of food ducd by a free use of the rod, turns round and declares that he did not say any thing, except that the Helper book was him promptly, cries hard times, from nerebellious and that its author was a hyp cessity. The man who has money to ocrite. lean considers it expedient to strike up

We certainly cannot wonder that afte finding himself screwed down to this pittain from 15 to 50 per cept. for his moniable position that he arrived at the con clusion that our reply was of the "cork Such is life. Excuse me for troubling screw order." Yet in taking leave of you with so long an article of so little inthis peculiar actor, we would remind him, terest. that he in attempting to play the part of a lion, under these circumstances, exposes entirely too much of the ass for good stage effect.

FOR THE JEFFERSONIAN. Mr. SCHOCH :- Although it has Leen

tributions from New-York, through which the side-door operations were managed and Mr. Fremont defeated. Movements are now on foot to repeat this game next Fall, but with less prospect of success.

Pike's Peak Gold.

The Director of the Philadelphia Mint peaks in his annual report of the l'ike's Peak gold as fallows: "The fineness of Bush. the gold has the average range of 800 to 900-thousandths, but generally lies within 825 to 845. The alloying metal is silver, as in all cases of native gold. The value of the gold in bars, allowing for the silver, is nearly or quite \$17 50 per onnce, on the average. The amount received at the Mint in Philadelphia from Pike's Peak, up to the date of the report, is \$97,585 10. Since the report the further sum of \$152,978 has been received at the Mint in Philadelphis. Other minting establishments have received a bout \$210,000 from the same source .--The smount, therefore, received up to In this time from that region is about \$460, 000."

Senator Gwin of California made

a speech in the U.S. Senate early in De-

cember, in which he took the ground that

the election of a Republican President

would be just cause for a dissolution of

the Union. This speech has created
