

Austria, by its perverseness and tyranny is rapidly paving the way for its own dismemberment. It has adopted the most despotic policy towards Hungary and Venetia, and has inspired the arbitrary government of Naples to increase its oppressive exactions.

Respecting the condition of things in Venetia, a letter from Milan says: "We continue to receive more and more afflicting news from Venetia. They have sent off to the fortress of Moravia and the Danube two trains, one of 80 and the other of 100 persons, all in chains, and who had been arrested on the suspicion of feeling love for their country. These individuals have not undergone any form of trial. Fresh arrests are being made in all the towns of Venetia. These towns are still deserted. Every day acts of violence are committed. They insist in their system of provocation in order to force the people to resist, by which they would have a pretext for venting their rage on every one."

In Hungary, the popular movement of hostility against Austria assumes daily a more formidable aspect. The different races are fraternizing, and manifesting their common hatred to their Austrian masters.

In Naples, also, the greatest agitation prevailed, and the people are resolved upon the expulsion of the present dynasty. The secret societies are spreading their organizations over the whole kingdom, and the police, notwithstanding their unparading activity, are unable to arrest the preparations for insurrection.

A Paris correspondent mentions, as a report, that the Pope was about to excommunicate King Victor Emmanuel. This also is an act doubtless inspired by Austria, and will, if consummated, involve the papacy in the disasters which are pretty sure to overtake the Court of Vienna.

VALUABLE TESTIMONY From Rev. Jacob Scholer, well known and highly respected throughout the State of Pennsylvania. HANOVER, Pa., Feb. 19, 1859. Messrs. S. W. FOWLE & CO., BOSTON.—Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation, "Wistar's Balsam of Wild Cherry," it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have also seen many benefited by it. I would, therefore, caution the public against imitations, because there is a good deal of spurious Wistar's Balsam of Wild Cherry offered throughout the country. JACOB SCHOLER.

BEWARE OF Imitations and worthless counterfeits! The only Genuine, Pure, and Medicinal Balsam has the name of "I. BUTTS" written with a pen, and the printed name of the proprietors, "S. W. FOWLE & CO.," on the outer wrapper.

BLANK DEEDS For sale at this Office

Scrofula, or King's Evil, is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, and impure. Being in the circulation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth, and filthy habits, the depressing vices, and, above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children, unto the third and fourth generation;" indeed, it seems to be the rod of Him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders in the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature are still rendered fatal by this taint in the system. Most of the consumptions which terminate in death, have their origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To clear it from the system we must renovate the blood by an alternative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla, the most effectual remedy which the medical skill of our times can devise for this every-where prevailing and fatal malady. It is combined from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYTHEMA and SKIN DISEASES, STY, ACHYON'S FIRE, ROSI, or ERYTHELMA, PIMPLES, PUSTULES, BLOTCHES, BRUISES AND BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPEPSIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITiated or IMPURE BLOOD. The popular belief in "insupport of the blood," is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills, FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action can rarely withstand or evade them. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitality. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy at once so simple and inviting.

Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, which certifies of their cures, and contains directions for their use in the following complaints: Costiveness, Heartburn, Headache arising from a disordered Stomach, Nausea, Indigestion, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from almost every desperate disease of the lungs by its use. When once tried, its superiority over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what anxious employer for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community alarm and have done little, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

HOWARD ASSOCIATION, PHILADELPHIA. A Benevolent Institution established by special Endowment, for the Relief of the Sick and Distressed, afflicted with Violent & Epidemic Diseases.

The HOWARD ASSOCIATION, in view of the awful destruction of human life caused by Sexual diseases, and the deceptions practiced upon the unfortunate victims of such diseases by Quacks, several years ago directed their Consulting Surgeon, as a CHARITABLE ACT worthy of their name, to open a Dispensary for the treatment of diseases, in all their forms, and to give Medical advice gratis to all who apply by letter, with a description of their condition, (age, occupation, habits of life, &c.) and in case of extreme poverty, to FURNISH MEDICINE FREE OF CHARGE. It is needless to add that the Association commands the highest Medical skill of the age, and will furnish the most approved modern treatment.

The Directors of the Association, in their Annual Report upon the treatment of Sexual Diseases, express the highest satisfaction with the success which has attended the labors of their Surgeons in the cure of Spermatorrhoea, Seminal Weakness, Gonorrhoea, Gleet, Syphilis, the vice of Onanism or Self Abuse, Diseases of the Kidneys and Bladder, &c., and order a continuance of the same plan for the ensuing year.

The Directors, on a review of the past, feel assured that their labors in this sphere of benevolent effort have been of great benefit to the afflicted, especially to the young, and they have resolved to devote themselves, with renewed zeal, to this very important and much despised cause.

An admirable Report on Spermatorrhoea, or Seminal Weakness, the vice of Onanism, Masturbation, or Self Abuse, and other diseases of the Sexual Organs, by the Consulting Surgeon, will be sent by mail (in a sealed envelope), free of charge, on receipt of two stamps, for postage. Other Reports and Tracts on the nature and treatment of Sexual diseases, diet, &c. are constantly being published for gratuitous distribution, and will be sent to the afflicted. Some of the new remedies and methods of treatment discovered during the last year, are of great value.
