Auditor's Notice.

In the Court of Common Pleas of **MONROE COUNTY.**
Bolser Fetherman vs. Fi. Fa. No. 2, May Term, 1859.

In the matter of the distribution of the fund arising from the sale of the Real Estate of the above named Defendant, to and among the lien creditors.

The undersigned, auditor, appointed by the said Court to make distribution of the aforementioned fund among the lien creditors of the above named defendant, hereby gives notice, that he will attend to the duties of his appointment, at his office, in the Borough of Stroudsburg, on Friday the 20th day of April, A. D. 1860, at 2 o'clock in the afternoon of said day, when and where all persons interested in said fund, are requested to present their claims or be debarred from coming in upon the same.

Stroudsburg, March 22, 1860.

BLOOD FOOD.

Dr. Bronson, having been so far reduced by consumption, as to be considered beyond all hope of recovery by the most eminent of the medical profession, and also by himself—a regular physician of twenty years practice—a last resort, conceived the idea of *Analyzing the Blood*, and applying the subject of physiology to the more immediate connection; and effect of the state of the blood upon the health and system. The result has been the production of this "Blood Food," from the use of which, Dr. Bronson was restored to perfect health. Within six months after its introduction, over two thousand consumptives were effectually cured by it. If you have any complaints of a consumptive tendency, Cough, Cold, Head-ache, Palpitation of the Heart, Loss of appetite, or pain in the side, lose no time in procuring a bottle of the "Blood Food." If you are suffering from Nervous Debility, or your sleep is broken and disturbed, if your Spirit is depressed or your Organs are relaxed, you will find in this an untiring remedy, by commencing with ten drops. If your Liver is torpid or diseased in any manner whatever, one or two bottles will be sure to invigorate, and bring it into lively and healthful action. In the most inveterate cases of Dyspepsia, the patient can here find the most efficient and grateful relief. A benefit is always experienced after taking only one bottle. In Male or Female Complaints and Weakness, the sufferer, after trying other remedies in vain, may rest assured, that a certain cure will result from the use of two of these bottles. The "Blood Food" is effectual in all cases of Eruptions, Salt Rheum, Scrofula and other complaints. Pale and emaciated children and adults are immediately benefited by its use. It gives strength to the body and color and beauty to the skin. Physicians of all schools are using it with wonderful success. For full directions, see circulars. Price \$1 per bottle.

MOTHERS.

In presenting you with **DR. EATON'S INFANTILE CORDIAL**, we desire to state its superiority over every nostrum that nurse or quack has heretofore offered you. First—it is the preparation of a regular physician, who is well qualified from much experience in infantile complaints to prescribe for them. Secondly—it is entirely free from purgative or opiate of any kind, and consequently relieves by removing the suffering of your child, instead of deadening its sensibilities. Thirdly—it is put up with great care, as a comparison of it with any other article for infantile complaints will show; the very roots from which it is distilled being dug from the forests under the direction of Dr. Eaton, many of them by his own hands. Fourthly—it is perfectly harmless and cannot injure the most delicate infant, and is a certain cure and relief in all the following cases, which is its chief merit over every other preparation, viz: For all complaints attending Teething, such as Dysentery, Colic, &c.; also, for softening the gums and relieving pain. For regulating the bowels it is unequalled. For Cold in the head it is a sure relief. For Croup, the most fatal and trying of diseases it can be relied on with perfect confidence; and being a powerful anti-spasmodic in all cases of convulsions or fits, we earnestly recommend you to lose no time in procuring it. Lastly—it costs so much more than other preparations of the kind, that we cannot afford such long advertisements as can those whose whole expense is their advertising; for the same reason, it commends itself as the most reliable to all mothers. In all cases, the directions are wrapped around each bottle, must be strictly followed. Price 25 cents per bottle. Sold by **CHURCH & DUPONT** Druggists, No. 36 Maiden Lane, New York. And by all respectable Druggists throughout the country. For sale by J. N. Durling, Stroudsburg, March 29, 1860-1y.

CAUTION! CAUTION! CAUTION!
CAUTION! CAUTION! CAUTION!

The only Genuine, — the only Pure, — the only Medical DR. WISTAR'S BALSAM OF WILD CHERRY is prepared by **SETH W. FOWLE & CO.,** 18 Tremont Street, Boston, and has their PRINTED name, as well as the WRITTEN signature of I. BUTTS, on the outside wrapper. All other is worthless, and to purchase it is money thrown away. Let the sick and the invalid, as they doubt and hope to be cured, take no other, and avoid all other, as they are impostures.

VALUABLE TESTIMONY
From Rev. Jacob Seidler, well known and highly respected throughout the State of Pennsylvania.

HANOVER, PA., Feb. 16, 1859.
Messrs. S. W. FOWLE & CO., BOSTON. — Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation, — *Wistar's Balsam of Wild Cherry*, — it affords me the pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imposture, because there is a good deal of spurious *Wistar's Balsam of Wild Cherry* offered throughout the country. **JACOB SEIDLER.**

Scrofula, or King's Evil,

is a constitutional disease, a corruption of the blood, by which this fluid becomes vitiated, weak, and poor. Being in this situation, it pervades the whole body, and may burst out in disease on any part of it. No organ is free from its attacks, nor is there one which it may not destroy. The scrofulous taint is variously caused by mercurial disease, low living, disordered or unhealthy food, impure air, filth, and filthy habits, the depressing virus, and above all, by the venereal infection. Whatever be its origin, it is hereditary in the constitution, descending "from parents to children unto the third and fourth generation;" indeed, it seems to be the rod of him who says, "I will visit the iniquities of the fathers upon their children."

Its effects commence by deposition from the blood of corrupt or ulcerous matter, which, in the lungs, liver, and internal organs, is termed tubercles; in the glands, swellings; and on the surface, eruptions or sores. This foul corruption, which renders the blood, depresses the energies of life, so that scrofulous constitutions not only suffer from scrofulous complaints, but they have far less power to withstand the attacks of other diseases; consequently, vast numbers perish by disorders which, although not scrofulous in their nature are still rendered fatal by this taint in the system. Most of the consumption which decimates the human family has its origin directly in this scrofulous contamination; and many destructive diseases of the liver, kidneys, brain, and, indeed, of all the organs, arise from or are aggravated by the same cause.

One quarter of all our people are scrofulous; their persons are invaded by this lurking infection, and their health is undermined by it. To cleanse it from the system we must renovate the blood by an alternative medicine, and invigorate it by healthy food and exercise. Such a medicine we supply in

AYER'S Compound Extract of Sarsaparilla,

the most effectual remedy which the medical skill of our times offers for this every day prevailing and fatal malady. It is compounded from the most active remedies that have been discovered for the expurgation of this foul disorder from the blood, and the rescue of the system from its destructive consequences. Hence it should be employed for the cure of not only scrofula, but also those other affections which arise from it, such as ERYSIPELIS and SKIN DISEASES, ST. ANTHONY'S FIRE, ROSE, or ERYSIPELAS, PIMPLES, PUSTULES, BLOTCHES, BLAINS and BOILS, TUMORS, TETTER, and SALT RHEUM, SCALD HEAD, RINGWORM, RHEUMATISM, SYPHILITIC and MERCURIAL DISEASES, DROPSY, DYSPESIA, DEBILITY, and, indeed, ALL COMPLAINTS ARISING FROM VITiated OR IMPURE BLOOD. The popular belief in "impurity of the blood," is founded in truth, for scrofula is a degeneration of the blood. The particular purpose and virtue of this Sarsaparilla is to purify and regenerate this vital fluid, without which sound health is impossible in contaminated constitutions.

Ayer's Cathartic Pills,

FOR ALL THE PURPOSES OF A FAMILY PHYSIC, are so composed that disease within the range of their action rarely withstands their use. Their penetrating properties search, and cleanse, and invigorate every portion of the human organism, correcting its diseased action, and restoring its healthy vitalities. As a consequence of these properties, the invalid who is bowed down with pain or physical debility is astonished to find his health or energy restored by a remedy as simple and inviting. Not only do they cure the every-day complaints of every body, but also many formidable and dangerous diseases. The agent below named is pleased to furnish gratis my American Almanac, containing certificates of their cures, and directions for their use in the following complaint: *Costiveness, Heartburn, Headache arising from a disordered Stomach, Nausea, Indigestion, Pain in and Morbid Inaction of the Bowels, Flatulency, Loss of Appetite, Jaundice, and other kindred complaints, arising from a low state of the body or obstruction of its functions.*

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease. So wide is the field of its usefulness, and so numerous are the cases of its cures, that almost every section of country abounds in persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs by its use. Its superior efficacy and purity over every other medicine of its kind is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what article to employ for the distressing and dangerous affections of the pulmonary organs that are incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial. Let the afflicted by the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

SILVER'S PLASTIC PAINTS:

CHEAP, DURABLE AND PROTECTIVE, Weather and Fire-Proof.

These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Ores and Clays, and are entirely worthless. Silver's Plastic Paints are Purely METALLIC, containing no Alum or Clay. They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds. There are six distinct colors, viz:—

Oliver, Light Brown, Light Chocolate, Black, Dark do., Deep do.

All equally valuable as a preservative Paint and particularly adapted to painting The outside of Buildings, Fences, Steam-boats, Cars, Tin and Iron work.

REMEMBER! Exposure Hardens and increases the Durability of these Paints. DIRECTIONS—Mix with pure Linseed oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.
