THE ONLY PREPARATION WORTHY OF Universal Confidence & Patronage.

For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.

47 Wall street, New York, Dec. 20, 1858. Gentlemen: Your note of the 15th instant has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it is due. My age is about 50 years; the color of my hair Auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored in its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald. Very respectfully, BEN. A. LAVENDER. To O. J. Wood & Co., 444 Broadway, N. Y.

Simston, Ala., July 20, 1859. To Prof. O. J. Wood: Dear Sir: Your "Hair Restorative" has done my hair so much good since I commenced the use of it, that I wish to make known to the public its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative," the hair will return more beautiful than ever; at least this is my experience. Believe it all! Yours truly, WM. H. KENEDY. P. S.—You can publish the above if you like. By publishing in our Southern papers you will get mere patronage south. I see several of your certificates in the Mobile Mercury, a strong Southern paper.

W. H. KENEDY. Wood's Hair Restorative. Prof. O. J. Wood: Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

PINLEY JOHNSON. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

VALUABLE TESTIMONY From Rev. Jacob Schiller, well known and highly respected throughout the State of Pennsylvania. HANOVER, PA., Feb. 16, 1859. Messrs. S. W. FOWLE & Co., Boston. — Dear Sirs: Having realized in my family an important benefit from the use of your valuable preparation, — Wistar's Balsam of Wild Cherry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imitations, because there is a good deal of spurious Wistar's Balsam of Wild Cherry about throughout the country. JACOB SCHILLER. Reliable Testimony. We call the attention of the reader to the following letter from President Smith, of Wesleyan University MIDDLETOWN, Conn., Feb. 23, 1859.

SETH W. FOWLE & Co.—Gentlemen:—I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one in a week, I was induced, by the unpretending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family. Very respectfully yours, AUGUSTUS W. SMITH.

STONARD, N. H., Sept. 20, 1853. Messrs. SETH W. FOWLE & Co., Dyspepsia — I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced, by the recommendation of my physician, Dr. Hamilton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been produced. Yours, STEARNS FOSTER.

OXYGENATED BITTERS.—To such of our readers as are troubled with the debility incident to the approach of warm weather, we cordially recommend the use of the Oxygenated Bitters as an invigorating tonic, — containing no alcohol in its composition, and possessing more real merit than any preparation of the kind we have ever known to.— Ogdensburg Republican.
