

Now that most of the towns have been heard from, it appears that Michigan has chosen 417 Republican Supervisors, or 227 more than Democrats. In 8 towns the Democrats have made gains, and over this success they have set up a shout of victory, while they carefully suppress the fact that they had lost 29 towns which they had last year.

### THE ONLY PREPARATION WORTHY OF Universal Confidence & Patronage.

For Statesmen, Judges, Clergymen, Ladies and Gentlemen, in all parts of the world testify to the efficacy of Prof. O. J. Wood's Hair Restorative, and gentlemen of the Press are unanimous in its praise. A few testimonials only can be here given; see circular for more, and it will be impossible for you to doubt.

47 Wall street, New York, Dec. 20, 1858. Gentlemen: Your note of the 15th instant has been received, saying that you had heard that I had been benefited by the use of Wood's Hair Restorative, and requesting my certificate of the fact if I had no objection to give it.

I award it to you cheerfully, because I think it is due. My age is about 50 years; the color of my hair auburn, and inclined to curl. Some five or six years since it began to turn gray, and the scalp on the crown of my head to lose its sensibility and dandruff to form upon it. Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threatening to make me bald.

In this unpleasant predicament, I was induced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored in its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the falling off arrested, but the color was restored to the gray hairs and sensibility to the scalp, and dandruff ceased to form on my head, very much to the gratification of my wife, at whose solicitation I was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if giving gray or getting bald. Very respectfully, BEN. A. LAVENDER.

To O. J. Wood & Co., 444 Broadway, N. Y. Simston, Ala., July 20, 1859.

To Prof. O. J. Wood: Dear Sir: Your "Hair Restorative" has done my hair so much good since I commenced the use of it, that I wish to make known to the public of its effects on the hair, which are great. A man or woman may be nearly deprived of hair, and by a resort to your "Hair Restorative," the hair will return more beautiful than ever; at least this is my experience. Believe it all Yours truly, WM. H. KENEDY.

P. S.—You can publish the above if you like. By publishing in our Southern papers you will get mere patronage south. I see several of your certificates in the Mobile Mercury, a strong Southern paper.

W. H. KENEDY. Wood's Hair Restorative.

Prof. O. J. Wood: Dear Sir: Having had the misfortune to lose the best portion of my hair, from the effects of the yellow fever, in New Orleans in 1851. I was induced to make a trial of your preparation, and found it to answer as the very thing needed. My hair is now thick and glossy, and no words can express my obligations to you in giving to the afflicted such a treasure.

FINLEY JOHNSON. The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.
