

Ayer's Sarsaparilla

A compound remedy, in which we have labored to produce the most effectual alternative that can be made. It is a concentrated extract of Para Sarsaparilla, combined with other substances of still greater alterative power as to afford an effective antidote for the diseases Sarsaparilla is reputed to cure. It is believed that such a remedy is wanted by those who suffer from Scrophulous complaints, and that our work will accomplish their cure, and give them the benefit of this large class of our allies' follow-up-cures. How completely this compound will do it has been proven by experiment on many of the worst cases to be found of the following complaints:

SCROFULA AND SCROPHULOUS COMPLAINTS, Eruptions and Blemishes of the Face, Eczema, Freckles, Bores, Tumors, Salt Rheum, Scald Head, Syphilis and Syphilitic Affections, Mercurial Disease, Dropsy, Neuralgia or Tic Douloureux, Denial, Dyspepsia and Indigestion, Erysipelas, Rose, or St. Anthony's Fire, and indeed the whole class of complaints arising from Impurities of the Blood.

This compound will be found a great promoter of health, when taken in the spring, to expel the foul humors which fester in the blood at that season of the year. By the timely expulsion of them many rankling disorders are nipped in the bud. Malignant cases, by the endurance of this remedy, spare themselves the pain and expense of foul eruptions and ulcers, through which the system will serve to rid itself of corruptions, if not assisted to do this through the natural channels of the body by an alterative medicine. Cleanse out the vitiated blood whenever you find its impurities bursting through the skin in pimples, eruptions, or sores; cleanse it when it is obstructed and sluggish in the veins; cleanse it whenever it is foul, and your feelings will tell you when. Even where no particular disorder is felt, people enjoy better health, and live longer, for cleansing the blood, with this pleasant medicine, is disordered, there can be no lasting health. Sooner or later something must go wrong, and the great machinery of life is disordered or overthrown.

Sarsaparilla has, and deserves much, the reputation of accomplishing these ends. But the world has been egregiously deceived by preparations of it, partly because the drug alone has not all the virtue that is claimed for it, but more because many preparations, pretending to be concentrated extracts of it, contain but little of the virtue of Sarsaparilla, or any thing else.

During late years the public have been misled by large bottles, pretending to give a quart of the extract of Sarsaparilla for one dollar. Most of these have been found upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter and painful disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself is justly despised. Still, however, it has become synonymous with impoison and cheat. Still we call this compound Sarsaparilla, and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. And we think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. In order to secure their complete eradication from the system, the remedy should be judiciously taken according to directions on the bottle.

PREPARED BY DR. J. C. AYER & CO., LOWELL, MASS.

Price, \$1 per Bottle; Six Bottles for \$5.

Ayer's Cherry Pectoral

has been found to be a powerful remedy for the cure of every variety of Throat and Lung Complaint, that it is entirely unnecessary for us to recount the evidence in its favor, whenever it has been employed. As it has long been in constant use throughout this section, we need not do more than assure the people its quality is kept up to the best it ever has been, and that it may be just as much for their relief as it has ever been found to be.

Ayer's Cathartic Pills

FOR THE CURE OF Constipation, Jaundice, Dyspepsia, Indigestion, Dropsy, Flat Stomach, Leucophaea, Headache, Piles, Rheumatism, Erysipelas and Skin Diseases, Liver Complaint, Dropsy, Tetter, Itching and other eruptions, and for Purifying the Blood.

They are sugar-coated, so that the most sensitive can take them pleasantly, and they are the best purgative in the world for all the purposes of a family physic.

Price 25 cents per Box; Five Boxes for \$1.00.

Great numbers of Clergymen, Physicians, Statesmen, and eminent persons, have lent their names to certify the unparalleled usefulness of these remedies, but our space here will not permit the insertion of them. The Agents below named furnish gratis our AMERICAN ALMANAC in which they are given, with all full descriptions of the above preparations, and the treatment that should be followed for their cure. Do not be put off by unprincipled dealers with other preparations that make more profit on a pound of Ayer's, and take no others. The sick want the best, and there is for them, and they should have it.

For sale by Hollinshead & Detrick, James N. Durling, and by all Druggists and Dealers everywhere.

GIVE THEM A TRIAL! SILVER'S PLASTIC PAINTS!

CHEAP, DURABLE AND PROTECTIVE, Weather and Fire-Proof.

These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Oxides of Iron and Lead, and are entirely worthless.

Silver's Plastic Paints are Purely METALLIC, containing no Alumina or Clay.

They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds.

There are six distinct colors, viz:—

Oliver, Light Brown, Light Chocolate, Black, Dark do, Deep do.

All equally valuable as a preservative Paint and particularly adapted to painting the outside of Buildings, Fences, Steam-boats, Cars, Tin and Iron work.

REMEMBER! Exposure Hardens and increases the Durability of these Paints.

DIRECTIONS.—Mix with pure Linseed oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.

All orders sent me, by stage drivers or others, will be promptly attended to, the same as though the person was present dealing for himself.

July 8, 1852. P. S. POSTENS.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Pails and Tubs of all kinds and qualities, Toy Pails, Salt and Sugar Boxes, Half Bushel and Peck Measures, Well Buckets, Towel Rollers, Patent head and straight clothes pins, wash boards, wooden mop handles, Grain scoops, Toy Wheelbarrows, Corn Brooms, every variety, Shoe, Paint, Scrub, and Sweep brushes, &c.
