What is it? How Cured?

Thousands of persons suffer all sorts of annovances from Catarrh. Most people know County of Monroe, classed in accordance what its inconvenience and results are, yet with the several Acts of Assembly relating but few know how it can be cured. It is simply a chronic irritation, and often enlargement of follicles and consequent thickening of the mucous membrane, lining the nasal cavities, frontal sinuses, and sometimes extending into the throat and lungs. From this result tightness and often vertigo of the head, obstructed nose, or a profuse flow of mucus, loss of smell, nasal voice, and often impaired hearing and taste.

The old-school remedies have never been able to do any thing for it. Nasal injections and inhalations are as painful and expensive as they are generally worthless, Yet Humphreys' Catarrh Specific, a simple Sagar Pill, taken two or three times per day. promptly cures the milder cases; cures at once all colds in the head, and radically cures by persevering use, the most obstinate cases, as is proved by the experience of hundreds. Price, with directions, 50 cents per box.

N. B .- A full set of Humphreys' Homeopathic Specifics, with Book of Directions, and twenty different Remedies, in large vials, norocco cases, \$5; do. in plain case, \$4; case of fifteen boxes, and book, 82.

These Remedies, by the single box or case, are sent by mail or express, free of charge, to any address, on receipt of the price. Ad Dr. F. Humphreys' & Co., No. 562 Broadway, New-York. Sold by Hollinshead & Detrick.

Each of these disagreeabilities increased with time, and about four months since a fourth was added to them, by hair falling off the top of my head and threat-

ening to make me bald. In this unpleasant predicament, I was inmade use of the Oxygenated Bitters some seven or duced to try Wood's Hair Restorative, mainly to arrest the falling off of my hair, for I had really no expectation that gray hair could ever be restored in its original color except from dyes. I was, however, greatly surprised to find after the use of two bottles only, that not only was the fulling off arrested, but ker, which has been fitted up in the most extent of some three or four, with a careful observance the color was restored to the gray bairs and elegant and complete manner for the bu- of the accompanying directions. The result was, an sensibility to the scalp, and dandruff ceased was induced to try it.

For this, among the many obligations I owe to her sex, I strongly recommend all husbands who value the admiration of their wives to profit by my example, and use it if growing gray or getting bald.
