The Civil War in Syria. Correspondence of the Boston Traveler. BEYROUT, June 21, 1860.

Zahleh has fallen! The last stronghold of the Christians has been taken. plundered and burnt, and its surviving inhabitants are flying like sheep from the wolves that are now on their track. The Chri-tian army has been annihilated and the Christian power, which has for ages competed with the Druses, has been crushed. The fleet lay quietly at anchor in the barbor of Beyrout, while Zableh was beseiged, sacked and laid in ruins-and the Consuls-General, who have hitherto been so potent and mighty, have held daily and nightly consultations in vain. The desolation of the "goodly Lebanon" was decreed, and the bosom of destruction has laid it waste.

The Consuls were in secret conclave all night, after the news of the sacking of Zableh was received, to devise ways and means for the rescue of the surviving Christians of the country from a general massacre. What they have done has not transpired, but the butchery of the remainder of the one hundred and fitty a very unsatisfactory production, adding thousand Christians is a sad thing to contemplate. We had hoped that the steamers the criminal and his career, beyond the of this week would have brought authority from the powers that be to land ma. rines for an armed interference, but in this we were disappointed True, the Consuls revelations which were anticipated, and were instructed to stop the war as soon life. Concerning his connection with Miss their disposal to conquer a peace. Mors! engagement and marriage were thrust on climes, and only an armed intervention can convince these blood thirsty Druses that the European powers are in earnest.
