THE OXYGENATED BITTERS THE OXYGENATED BITTERS

CONTAINING NO ALCOHOL.

#### Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, of Wesleyan University:

MIDDLETOWN, Conn., Feb. 28, 1859. SETR W. FOWLE & Co. - Gentlemen : - I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending reccommendation of Dr. Green, " to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as must presons. These Bitters have also been of serwice to other members of my family.

> Very respectfully yours, AUGUSTUS W. SMITH.

#### THE OXYGENATED BITTERS. THE OXYGENATED BITTERS.

STODDARD, N. H., Sept. 30, 1859. Messrs, SHTH W. FOWLE & Co.,

Gents : - I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail ; but his confidence inspired me to persevere, and after using to the extent of half a dozen botties, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been produced. Yours,

STEARNS FOSTER.

OXYGINATED BITTERS. - To such of our reader as are troubled with the debility incident to the approach of warm weather, we cordially recommend the use of the Oxygenated Bitters as an invigorating tonic, - containing no alcohol in its composition, and possessing more real merit than any preparation of the kind we have ever known. - Ogdensburg Republican.
