Reliable Testimony.
 We call the attention of the reader to the following letter from President Smith, of *Worcester University*:
 MIDDLETOWN, Conn., Feb. 28, 1853.
 SETH W. FOWLE & Co.—Gentlemen:—I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending recommendation of Dr. Green, to try one bottle, and if no benefit was received to discontinue the use.
 The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from dyspepsia as most persons. These Bitters have also been of service to other members of my family.
 Very respectfully yours,
 AUGUSTUS W. SMITH.

THE OXYGENATED BITTERS, THE OXYGENATED BITTERS.
 STODDARD, N. H., Sept. 30, 1852.
 Messrs. SETH W. FOWLE & Co.,
 Gentlemen:—I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazeltine, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been produced.
 Yours,

Man! Know Thyself.
DR. HUNTER'S MEDICAL MANUEL:
 Being an original and popular Treatise on MAN AND WOMAN,
 Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character incident to the violation of the laws of Nature and of Nature's God.
 PRICE TWENTY-FIVE CENTS.
 The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into a volume of moderate compass this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.
 Testimony of the Professor of Obstetrics in Penn. College, Philada.
 "Dr. Hunter's Medical Manuel."—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.
 JOSEPH S. LONGSHORE, M. D.
 From A. Woodward, M. D. of Penn. University, Philada.
 It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manuel." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been beyond medical aid. In the treatment of Seminal weakness or disarrangement of the functions produced by self-abuse or excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.
 ALFRED WOODWARD, M. D.
 One Copy, securely enveloped, will be forwarded free of postage to any part of the United States for 25 Cents, or 6 copies for \$1. Address post-paid, CONDEN & CO. Publishers, box 197, Philada.

GIVE THEM A TRIAL!
SILVER'S PLASTIC PAINTS:
 CHEAP, DURABLE and PROTECTIVE, Weather and Fire-Proof.
 These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Ores and Clays, and are entirely worthless.
 Silver's Plastic Paints are Purely METALLIC, containing no Alum or Clay.
 They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds. There are six distinct colors, viz:—
 Olive, | Light Brown | Light Chocolate, Black, | Dark do. | Deep do.
 All equally valuable as a preservative Paint and particularly adapted to painting The outside of Buildings, Fences, Steam-boats, Cars, Tin and Iron work.
 REMEMBER! Exposure Hardens and increases the Durability of these Paints.
 DIRECTIONS—Mix with pure Linseed Oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.
 For sale, Wholesale and retail, by JAMES N. DURLING, Stroudsburg, Pa.
 A general assortment of Paints, Drugs, Window Glass, Perfumery, Liquors, &c., &c. Constantly on hand, and to which we invite the attention of the Public.

Mutual Fire Insurance Company
 The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.
 The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms.

J. LANZ, DENTIST.
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

J. LANZ, DENTIST.
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Something New.
 The public are respectfully informed that the undersigned has opened, in the Borough of Stroudsburg, a **NEW DRUG STORE,**
 in the large four story building recently erected by Messrs. Fowler and Wintemute, two doors above Robert Boy's Store, where he intends keeping always on hand, a large assortment of **Drugs and Medicines, Paints, Oils, Varnishes, French and Common Glass, &c.**
 The stock will also embrace **FANCY NOTIONS** in endless variety, from which all tastes can be gratified, including **Perfumery, Plain and Fancy Glass Ware, Tooth, Hair and Toilet Brushes; Combs, &c.**
ALSO—PURE WINES AND LIQUORS
 for medicinal purposes, which bear their own recommendation.
 Every article will be warranted pure
