CAUTION! CAUTION! CAUTION!
The only Genuine, — the only Pure, — the only Medical
and DR. WISTAR'S BALSAM OF WILD CHERRY,
is prepared by SEYMOUR H. WISTAR & Co., 12 Tremont
Street, Boston, and has their PATENTED name, as well as
the WISTAR'S signature of L. BUTTS, on the outside
wrapper. All other is worthless, and to purchase it is
money thrown away. Get the sick and the invalid, as they
desire, and hope to be cured, take no other, and avoid all
others, as they are impostures.

VALUABLE TESTIMONY
From Dr. Jacob Scholer, well known and highly re-
spected throughout the State of Pennsylvania.
HANOVER, PA., Feb. 16, 1859.
Messrs. S. W. FOWLE & Co., Boston. — Dear Sirs:
Having realized in my family, important benefits from
the use of your valuable preparation — Wistar's Balsam
of Wild Cherry, — it affords me pleasure to recommend it
to the public. Some eight years ago one of my daughters
seemed to be in a delicate, and little hopes of her recovery
were entertained. I then procured a bottle of your ex-
cellent Balsam, and before she had taken the whole of
the contents of the bottle, there was a great improvement
in her health. I have, in my individual case, made
frequent use of your valuable medicine, and have always
been benefited by it. I would, therefore, caution the public
against imposture, because there is a great deal of spurious
Wistar's Balsam of Wild Cherry offered to the public.
JACOB SCHOLER.

Be aware of all and worthless counterfeits! The only
Genuine, Pure, and Medical Balsam has the name of
"L. BUTTS" written with a pen, and the printed name
of the proprietors, "S. W. FOWLE & Co.," on the
outer wrapper.

Man! Know Thyself!
**DR. HUNTER'S
MEDICAL MANUEL:**
Being an original and popular Treatise on
MAN AND WOMAN,
Their Physiology, Functions, and Sexual
Disorders of every kind, with never-failing
Remedies for the speedy Cure of diseases
of a private and delicate character inci-
dent to the violation of the laws of Nature
and of Nature's God.
PRICE TWENTY-FIVE CENTS.
The author of the above volume is a gradu-
ate, and having devoted a quarter of a cen-
tury to the study and treatment of Syphilis
and kindred disorders as a specialty, he has become possessed
of most invaluable information in regard to
the same, and is able to compress into vade-
mecum compass the very quintessence of medi-
cal science on this important subject; as the
result of the experience of the most eminent
physicians in Europe and America is thor-
oughly demonstrated in his own highly suc-
cessful practice in the treatment of secret
diseases in many thousands of cases in the
City of Philadelphia alone.
**Testimony of the Professor of Obstetrics in
Penn. College, Philada.**
"Dr. Hunter's Medical Manual."—The
author of this work, unlike the majority of
those who advertise to cure the diseases of
which it treats, is a graduate of one of the
best Colleges in the United States. It affords
me pleasure to recommend him to the unfor-
tunate, or to the victim of malpractice, as a
successful and experienced practitioner, in
whose honor and integrity they may place
the greatest confidence.
JOSEPH S. LONGSHORE, M. D.
From A. Woodward, M. D. of Penn. Uni-
versity, Philada.
It gives me pleasure to add my testimony to
the professional ability of the author of the
"Medical Manual." Numerous cases of Dis-
eases of the Genital Organs, some of them of
long standing, have come under my notice
in which his skill has been manifest in restor-
ing to perfect health, in some instances where
the patient has been beyond medical aid. In
the treatment of Seminal weakness or disor-
derings of the functions produced by self-
abuse or excess of venery, I do not know his
superior in the profession. I have been ac-
quainted with the Author some thirty years,
and deem it no more than justice to him as
well as a kindness to the unfortunate victim
of early indiscretion, to recommend him as
one in whose professional skill and integrity
they may safely confide themselves.

GIVE THEM A TRIAL!
SILVER'S PLASTIC PAINTS:
CHEAP, DURABLE AND PROTECTIVE,
Weather and Fire-Proof.
These paints will stand any climate, with-
out crack or blister and harden by exposure,
thus making in time an enamel of stone,
protecting Wood from decay, and Iron and
other metals from rust and corrosion. They
differs, essentially, from the so-called mineral
paints of the day which are, principally, O-
chres and Clays, and are entirely worthless.
Silver's Plastic Paints are Purely ME-
TALIC, containing no Alumina or Clay.
They are levigated finely, mix readily with
Lined Oil, (without the trouble of grind-
ing) and flow under the brush as the best
White Lead, and excel all others in body or
covering properties, one pound of which will
cover as much surface, as two pounds of
White Lead, reducing the cost two-thirds.
There are six distinct colors, viz:—
Olive, Light Brown | Light Chocolate,
Black, Dark do. | Deep do.
All equally valuable as a preservative
Paint and particularly adapted to painting
The outside of Buildings, Fences, Steam-
boats, Cars, Tin and Iron work.
REMEMBER! Exposure hardens
and increases the Durability of these Paints.
DIRECTIONS—Mix with pure Lined Oil,
as thickly as possible, as the Paint is the
lasting protecting body, and the oil simply the
medium or agent in spreading it.

**MONROE COUNTY
Mutual Fire Insurance Comp'y**
The rate of Insurance is one dollar on
the thousand dollars insured, after
which payment no subsequent tax will
be levied, except to cover actual loss or
damage by fire, that may fall upon mem-
bers of the company.
The net profits arising from interest
or otherwise, will be ascertained yearly,
for which each member in proportion to
his, her, or their deposit, will have a
credit in the company. Each insurer in
or with the said company will be a mem-
ber thereof during the term of his or her
policy. The principle of Mutual Insur-
ance has been thoroughly tested—has
been tried by the unerring test of experi-
ence, and has proved successful and be-
come very popular. It affords the great-
est security against loss or damage by
fire, on the most advantageous and rea-
sonable terms.
Applications for Insurance to be made
in person, or by letters addressed to

J. LANTZ, DENTIST.
Has permanently located him-
self in Stroudsburg, and moved
his office next door to Dr. S.
Walton, and nearly opposite S. Rees's Hat &
Cap store, where he is fully prepared to treat
the natural teeth, and also to insert incorrupt-
ible artificial teeth on pivot and plate, in the
latest and most improved manner. Most per-
sons know the danger and folly of trusting
their work to the ignorant as well as the
traveling dentist. It matters not how much
experience a person may have, he is liable to
have some failures out of a number of cases,
and if the dentist lives at a distance, it is fre-
quently put off until it is too late to save the
tooth or teeth as it may be, otherwise the in-
convenience and trouble of going so far.—
Hence the necessity of obtaining the services
of a dentist near home. All work warranted.

Something New.
The public are respectfully informed that
the undersigned has opened, in the Borough
of Stroudsburg, a NEW

in the large four story building
recently erected by Messrs. Fow-
ler and Wintemute, two doors a-

he has intended keeping always on

nishes, French and Common Glass, &c.**

TIONS in endless variety, from which all
tastes can be gratified, including

Mutual Fire Insurance Comp'y**
The rate of Insurance is one dollar on
the thousand dollars insured, after
which payment no subsequent tax will
be levied, except to cover actual loss or
damage by fire, that may fall upon mem-
bers of the company.
The net profits arising from interest
or otherwise, will be ascertained yearly,
for which each member in proportion to
his, her, or their deposit, will have a
credit in the company. Each insurer in
or with the said company will be a mem-
ber thereof during the term of his or her
policy. The principle of Mutual Insur-
ance has been thoroughly tested—has
been tried by the unerring test of experi-
ence, and has proved successful and be-
come very popular. It affords the great-
est security against loss or damage by
fire, on the most advantageous and rea-
sonable terms.
Applications for Insurance to be made
in person, or by letters addressed to
WM. K. HAVILAND, Secretary.
