

Got Another One. Mat Root, of Pineville, is taking the census of Lake county. The other day he received a call from an old framer, at whose house he had called a few days before, in one of the towns he had canvassed. The farmer fumbled awkwardly with his hat, and didn't seem to know exactly how to get at the business. Mat inquired after the health of his sixteen children, all under seventeen years of age, whose names he remembered to have taken, spoke about the weather, &c., but the old farmer seemed to grow more and more embarrassed. At length the visitor blurted out, "My old woman sent me down to tell you to come and take the census over again—she has got another one."—Cleveland Democrat.

**Friends and Fellow Citizens:**—Some three weeks ago I announced myself as a candidate for the office of Register and Recorder, of Monroe County, at the ensuing October Election; but since then I have been led to believe that the National and State politics of our Country demanded the services of every loyal democrat in the coming crisis; and, being a warm and true friend of Douglas, Johnson and Foster, I will decline being a candidate, and do all I possibly can, in a fair and honorable manner, in advocating their cause; and by so doing assist in the preservation and perpetuity of the principles which have long preserved the nation of the Democratic party. For the above reasons I withdraw my name as a candidate for the aforesaid office. To my friends at home and throughout the County I return my most sincere thanks. I shall ever hold them in grateful remembrance. Yours, with respect, JOHN F. DRINKHOUSE. Stroudsburg, Aug. 16, 1860.

**THE ONLY PREPARATION**  
Having proofs so strong and direct as to **EXPULS THE DOUBTS OF ALL.**  
For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unqualified sanction, and recommend it for all cases of eruptions, and diseases of the scalp and hair; but all who have used it, unite in testifying that it will preserve the hair from being gray, and from falling in to age, as well as restore. Read the following:  
Oak Grove, S. C. June 24th, 1859.

To Prof. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test. During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks.—Rest assured, dear Sir, I shall use my influence, which I flatter myself to say, is not a little.

You can publish this if you think proper. Yours, very respectfully, M. J. WRIGHT, M. D. Office of the Jeffersonian, } Philippi, Va., Dec. 12, 1858. }  
Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstance, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c. THOMPSON SURGINOR.

Dr. Wood: Dear Sir:—Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable. S. THALBERG.  
The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3. O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers. [March 29, 1860.—1y.]
