**CAUTION! CAUTION! CAUTION!**  
The only Genuine, — the only Pure, — the only Medical DR. WISTAR'S BALSAM OF WILD CHERRY prepared by SETH W. FOWLE & Co., 18 Tremont Street, Boston, and has their PRINTED name, as well as the WISTAR'S signature of J. BUTTS, on the outside wrapper. All other is worthless, and to purchase it is money thrown away. Let the sick and the invalid, as they desire and hope to be cured, take no others, and avoid all others, as they are impositions.

**VALUABLE TESTIMONY**  
From Rev. Jacob Seabrook, well known and highly respected throughout the State of Pennsylvania.  
HANOVER, Pa., Feb. 16, 1859.  
Messrs. S. W. FOWLE & Co., Boston. — Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation, — Wistar's Balsam of Wild Cherry, — I feel it a pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a desperate, and little hope of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imitations, because there is a good deal of spurious Wistar's Balsam of Wild Cherry sold throughout the country.  
Beware of vile and worthless counterfeits! The only Genuine, Pure, and Medical Balsam has the name of "J. BUTTS" written with a pen, and the printed name of the proprietors, "S. W. FOWLE & Co.," on the outer wrapper.

Being an original and popular Treatise on MAN AND WOMAN.

Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character incident to the violation of the laws of Nature and of Nature's God.  
PRICE TWENTY-FIVE CENTS.  
The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most valuable information in regard to the same, and is able to compress into a volume compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.

**Testimony of the Professor of Obstetrics in Penn. College, Philada.**  
"Dr. Hunter's Medical Manual."—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.  
JOSEPH S. LONGSHORE, M. D.  
From A. Woodward, M.D. of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manual." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functions produced by self-abuse or excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victims of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.

**GIVE THEM A TRIAL! SILVER'S PLASTIC PAINTS:**  
CHEAP, DURABLE AND PROTECTIVE, Weather and Fire-Proof.  
These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, O. chres and Clays, and are entirely worthless.  
Silver's Plastic Paints are Purely METALLIC, containing no Alum or Clay.  
They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds. There are six distinct colors, viz:—  
Olive, Light Brown, Light Chocolate, Black, Dark do. Deep do.  
All equally valuable as a preservative Paint and particularly adapted to painting  
The outside of Buildings, Fences, Steam-boats, Cars, Tin and Iron work.  
REMEMBER! Exposure Hardens and increases the Durability of these Paints.  
DIRECTIONS—Mix with pure Linseed Oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.

**EXPULSIVE THE DOUBTS OF ALL.**

For Statesmen, Judges, Editors, Physicians of the oldest schools as well as new, give it their unequalled sanction, and recommend it for all cases of eruptions, and diseases of the scalp and brain; but all who have used it, unite, in testifying that it will preserve the hair from being gray, and from falling to any age, as well as restore. Read the following:  
Oak Grove, S. C. June 24th, 1859.  
To Prof. O. J. Wood: Dear Sir:—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test:—  
During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the roadside, from which my head received a most terrible blow; causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effects of which my hair was finally destroyed over the entire surface of the head. From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself, and, as I thought, understanding the nature of the disease, but was finally defeated in every prescription advanced.  
These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to believe, produced a very happy result: two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks.—Rest assured, dear sir, I shall use my influence, which I flatter myself to say, is not a little.  
You can publish this if you think proper. Yours, very respectfully,  
M. J. WRIGHT, M. D.  
Office of the Jeffersonian, }  
Philippi, Va., Dec. 12, 1858. }

Dear Sir:—I feel it my duty as well as my pleasure, to state to you the following circumstances, which you can use as you think proper. A gentleman of this place, (a lawyer), has been bald ever since his early youth; so much so, that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite luxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and as he is very well known in our adjoining counties, many persons can testify to the truth of this statement; I give it to you at the request of Mr. Bradford. You can sell a great deal of your Hair Restorative in this and the adjoining counties if you have the proper agents. Yours, &c.  
THOMPSON SURGINOR.

Dr. Wood: Dear Sir:—Permit me to express the obligations I am under for the entire restoration of my hair to its original color; about the time of my arrival in the United States it was rapidly becoming gray, but upon the application of your "Hair Restorative" it soon recovered its original hue. I consider your Restorative as a very wonderful invention, quite efficacious as well as agreeable.  
S. THALBERG.  
The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds  $\frac{1}{2}$  pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 30 per cent, more in proportion, and retails for \$3.

**J. LANTZ, DENTIST.**  
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.  
**Something New.**  
The public are respectfully informed that the undersigned has opened, in the Borough of Stroudsburg, a NEW  
**DRUG STORE,**  
in the large four story building recently erected by Messrs. Fowler and Wintemute, two doors above Robert Boy's Store, where he intends keeping always on hand, a large assortment of  
Drugs and Medicines, Paints, Oils, Varnishes, French and Common Glass, &c.  
The stock will also embrace FANCY NOTIONS in endless variety, from which all tastes can be gratified, including

**J. LANTZ, DENTIST.**  
Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
