FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859, J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsujarilla has done for me Having inherited a Scrothdons infection, I have suffered from it in various ways for years. Sometimes it burst turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and touthsom beyond description. I tried many medicines and several physicians, but without much relief from any thing. In der grew worse. At length I was r to read in the Gospel Messenger that you had prepared an alterative (Surseparilia), for i knew from your reputa-tion that any thing you made must be good. I sent to Cin-innational got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my frelings that the disease has gone from my system. You can well believe that I bed what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rhenm, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dang Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goltre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bot tles of your Sarsaparilla cured me from a Goire — a hid-cous swelling on the neck, which I had suffered from over two years."

Leucerrhea or Whites. Overian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Discases of the Scrofulous diathesis. I have cured many inveterate cases of Lencorrhoea by it, and some where the complaint was caused by ulceration of the uterus. The ulcer ation itself was soon cured. Nothing within my knowl-

edge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous searian tussor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar-caparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sursaparilla as the last resort before cutting, and it proved effectual. After taking your temedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1859.

Dr. J. C. Aven: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sar-aparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venezeel and Mercurial Discars. One of my patients had Syphilitic ulcers In his threat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by melcury was suffering from this poison in her bones. They had become so sen sitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, too, was cured entirely by your Sarsajarilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. Aren: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the

remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general bealth so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparifla, because he said he knew you, and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The

best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Aver's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Cou-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
