VALUABLE TESTIMONY
 From Rev. Jacob Schler, well known and highly respected throughout the State of Pennsylvania.
 HANOVER, Pa., Feb. 12, 1859.
 Messrs. S. W. FOWLE & Co., Boston. — Dear Sirs: Having realized in my family, important benefits from the use of your valuable preparation, — Wistar's Balsam of Wild Cherry, — I desire to give you my testimony to its efficacy. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imitations, because there is a great deal of spurious Wistar's Balsam of Wild Cherry sold throughout the country.
 JACOB SCHLER.
 Beware of vile and worthless imitations. The only Genuine, Pure, and Medical Balsam has the name of "J. WISTAR" written with a pen, and the printed name of the proprietors, "S. W. FOWLE & Co.," on the outer wrapper.

"Man! Know Thyself."
DR. HUNTER'S MEDICAL MANUEL:
 Being an original and popular Treatise on MAN AND WOMAN,
 Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character incident to the violation of the laws of Nature and of Nature's God.
 PRICE TWENTY-FIVE CENTS.

The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into a volume of moderate size the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia.

Testimony of the Professor of Obstetrics in Penn. College, Philada.
 "Dr. Hunter's Medical Manual." — The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.
JOSEPH S. LONGSHORE, M. D.
 From A. Woodward, M. D. of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manual." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functions produced by self-abuse or excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.
ALFRED WOODWARD, M. D.
 One Copy, securely enveloped, will be forwarded free of postage to any part of the United States for 25 Cents, or 6 copies for \$1. Address post-paid, COSDEN & CO. Publishers, box 197, Philada.
 Booksellers, Canvassers and Book Agents, supplied on the most liberal terms.

GIVE THEM A TRIAL!
SILVER'S PLASTIC PAINTS:
CHEAP, DURABLE AND PROTECTIVE,
Weather and Fire-Proof.
 These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Ores and Clays, and are entirely worthless. Silver's Plastic Paints are Parly METALLIC, containing no Alum or Clay.
 They are re-levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds. There are six distinct colors, viz:—
 Olive, | Light Brown | Light Chocolate, |
 Black, | Dark do. | Deep do. |
 All equally valuable as a preservative Paint and particularly adapted to painting
 The outside of Buildings, Fences, Steam-baths, Cars, Tin and Iron work.
 REMEMBER! Exposure hardens and increases the Durability of these Paints.
 DIRECTIONS.—Mix with pure Linseed oil, as thickly as possible, as the Paint is the best protecting body, and the oil simply the medium or agent in spreading it.

J. LANTZ, DENTIST.
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.— Hence the necessity of obtaining the services of a dentist near home. All work warranted.
