THE OXYGENATED BITTERS, THE OXYGENATED BITTERS, CONTAINING NO ALCOHOL.

Reliable Testimony.

We call the attention of the reader to the following letter from President Smith, of Wesleyan University:

MIDDLETOWN, Conn., Feb. 28, 1859. SETH W. FOWLE & Co. - Gentlemen : - I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspensia, which was attended with a nervous headache, on an average of not less than one day in a week. I was induced, by the unpretending recemmendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours, AUGUSTUS W. SMITH.

STODDARD, N. H., Sept. 30, 1859.

Messrs, SETH W. FOWLE & Co., Gents: - I was, for many years, a great sufferer from Dyepepsia or Waterbrash, and tried almost everything Due at Moscow within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been pro-
