AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Ernptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes if turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputa-Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small desce of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

Yours, ALFRED B. TALLEY. St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head,

Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Proble writes from Salent, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous

Malignant Erysipelas by large doses of the same; says he cures the common Eraptions by it constantly. Bronchocele, Goitre or Swelled Neck, Zebulon Sloan of Prospect, Texas, writes: "Three bot-tles of your Sarsspavilla cored me from a Gaitre—a hideous swelling on the neck, which I had suffered from

Leucorrhoa or Whites. Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; " I most cheerfully comply with the request of your agent in saying I have found your Sarsaparille a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Fonale Distant of the Scrofnlous diathesis. I have cured many inveterate cases of Leucorrheea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, "A dangerous ovarien fumor on one of the females in my family, which had defied all the remedies we could employ, has

at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing but extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains." Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

Dr. J. C. Aven: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sursaparilla. I have cared with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Disease. One of my patients had Syphilitic ulcent in his throat, which were consuming his paints and the top of his month. Your Sarssparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarasporilla; the ulcers healed, and he is well again, not of course without some distinguistion to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her hones. They had become so sensitive to the weather that on a damp day she suffered ex-cruciating poin in her joints and bones. She, tea, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results

with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaints INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which buffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sanaparilla. One bottle cared me in two weeks, and restored my general health so much that I am far before than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing falled to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bless-ing of God it has cured me, and has so parified my bleod as to make a new man of me. I feel young again. The best that can be said of you is not have good enough.

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of A great variety of cases have been reported to us where

cures of these farmidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them. Dyspepsia, Heart Disease, Flis, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus

overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the ne-cessities of the people, and we are confident that this will do for them all that medicine can do. Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wenderful cures of pulmonary allsense, have made it known throughout the civilized nations of the earth-Few are the communities, or even families, among them who have not some personal experience of its effects who have not some personal experience of its elects—
some living trophy in their midst of its victory over the
subtle and dangerous disorders of the throat and fongs.
As all know the dreadful fatality of these disorders, and
as they know, too, the effects of this remedy, we need not
do more than to assure them that it has now all the virtues that it did have when making the curs which have won so strongly upon the confidence of mankind
