Reliable Testimony.
We call the attention of the reader to the following
letter from President Smith, of Wesleyan University:
MIDDLETOWN, Conn., Feb. 28, 1859.
SETH W. FOWLE & Co., Gentlemen.—I first
made use of the Oxygenated Bitters some seven or
eight years since. Having suffered for twenty years
from a form of dyspepsia, which was attended with a
nervous headache, on an average of not less than one
day in a week, I was induced, by the unpretending
recommendation of Dr. Green, to try one bottle, and if
no benefit was derived to discontinue the use.
The use of one bottle warranted a further trial, to the
extent of some three or four, with a careful observa-
nce of the accompanying directions. The result was,
an almost entire relief from the usual dyspeptic symp-
toms and their depressing, painful consequences. I believe
these Bitters produced an entire change in the habits of
my system, and upon the active energies of the digestive
organs. I now deem myself as exempt from Dyspepsia
as most persons. These Bitters have also been serv-
ice to other members of my family.
Very respectfully yours,
AUGUSTUS W. SMITH.

THE OXYGENATED BITTERS,
THE OXYGENATED BITTERS.
STOUBARD, N. H., Sept. 30, 1859.
Messrs. SETH W. FOWLE & Co.,
Gentlemen.—I was, for many years, a great sufferer from
Dyspepsia or Waterbrash, and tried almost everything
within my reach, but to no benefit, until I was induced
by the recommendation of my physician, Dr. Hazleton,
to make use of the Oxygenated Bitters. The first bottle
produced but a slight alteration in the disease, and had
it not been for the urgent request of my physician, I
should have discontinued their use, thinking them
to be of no avail; but his confidence inspired me to per-
severe, and after using to the extent of half a dozen bot-
tles, I had entirely regained my health. I hope all
dyspeptic persons will be induced to give them a fair
trial, being confident that the remedy is the most potent,
for the various forms of Dyspepsia, that has been pro-
duced. Yours,
STEARNS POSTER.

OXYGENATED BITTERS.—To such of our readers
as are troubled with the debility incident to the approach
of warm weather, we cordially recommend the use of
the Oxygenated Bitters as an invigorating tonic, con-
taining no alcohol in its composition, and possessing
more real merit than any preparation of the kind we
have ever known.—Ogdensburg Republican.

It gives me pleasure to add my testimony

GIVE THEM A TRIAL!
SILVER'S PLASTIC PAINTS:
CHEAP, DURABLE AND PROTECTIVE,
Weather and Fire-Proof.
These paints will stand any climate, with-
out crack or blister and harden by exposure,
thus making in time an enamel of stone,
protecting Wood from decay, and Iron and
other metals from rust and corrosion. They
differ, essentially, from the so-called mineral
paints of the day which are, principally, O-
chres and Clays, and are entirely worthless.
Silver's Plastic Paints are Purely ME-
TALIC, containing no Alum or Clay.
They are levigated finely, mix readily with
Lined Oil, (without the trouble of grind-
ing,) and flow under the brush as the best
White Lead, and excel all others in body or
covering properties, one pound of which will
cover as much surface, as two pounds of
White Lead, reducing the cost two-thirds.
There are six distinct colors, viz:—
Olive, Light Brown, Light Chocolate,
Black, Dark do, Deep do.
All equally valuable as a preservative
Paint and particularly adapted to painting
The outside of Buildings, Fences, Steam-
boats, Cars, Tin and Iron work.
REMEMBER! Exposure Hardens
and increases the Durability of these Paints.
DIRECTIONS—Mix with pure Lined oil,
as thickly as possible, as the Paint is the
lasting protecting body, and the oil simply the
medium or agent in spreading it.

Only Preparation
THAT HAS
STOOD THE TEST OF YEARS,
And grows more and more
popular every day!
And testimonials, new, and almost without
number, might be given from ladies and gen-
tlemen in all grades of society, whose united
testimony none could resist, that Prof. Wood's
Hair Restorative will restore the bald and
gray, and preserve the hair of the youth to
old age, in all its youthful beauty.
Battle Creek, Mich. Dec. 21st, 1858.
Prof. Wood: These will please accept a
line to inform thee that the hair on my head
all fell off over twenty years ago, caused by
a complicated chronic disease, attended with
an eruption on the head. A continual course
of suffering through life having reduced me
to a state of dependence, I have not been able
to obtain stuff for caps, neither have I
been able to do them up, in consequence of
which my head has suffered extremely from
cold. This induced me to pay Briggs &
Hodges almost the last cent I had on earth
for a two dollar bottle of thy Hair Restora-
tive about the first of August last. I have
faithfully followed the directions and the bald
spot is now covered with hair thick and
black, though short, it is also coming in all
over my head. Feeling confident that an-
other large bottle would restore it entirely
and permanently, I feel anxious to persevere
in its use, and being destitute of means to
purchase any more, I would ask thee if thee
wouldst not be willing to send me an order
on thee agents for a bottle, and receive to
thyself the scripture declaration—"the re-
ward is to those that are kind to the widow
and the fatherless."
Thy friend, SUSANNAH KIRBY.
Ligonier, Noble Co. Ind'a, Feb. 5th, 1859.
Prof. O. J. WOOD: DEAR SIR:—In the
latter part of the year 1852, while attending
the State and National Law School of the
State of New York, my hair, from a cause
unknown to me, commenced falling off very
rapidly, so that in the short space of six
months, the whole upper part of my scalp
was almost entirely bereft of its covering,
and much of the remaining portion upon the
side and back part of my head shortly after
became gray, so that you will not be surprised
when I tell you that upon my return to the
State of Indiana, my more casual acquaint-
ances were not so much at a loss to discover
the cause of the change in my appearance,
as my more intimate acquaintances were to
recognise me at all.
I at once made application to the most
skillful physicians in the country, but, re-
ceiving no assurance from them that my hair
could again be restored, I was forced to be-
come reconciled to my fate, until, fortun-
ately, in the latter part of the year 1857, your
Restorative was recommended to me by a
druggist, as being the most reliable Hair
Restorative in use. I tried one bottle, and
found to my great satisfaction that it was
producing the desired effect. Since that
time, I have used seven dollars' worth of your
Restorative, and as a result, have a rich coat
of very soft black hair, which no money can
buy.
As a mark of my gratitude for your labor
and skill in the production of so wonderful
an article, I have recommended its use to
many of my friends and acquaintances, who,
I am happy to inform you, are using it with
like effect. Very respectfully, yours,
A. M. LATTA.

J. LANTZ, DENTIST.
Has permanently located him-
self in Stroudsburg, and moved
his office next door to Dr. S.
Walton, and nearly opposite S. Kee's Hat &
Cap store, where he is fully prepared to treat
the natural teeth, and also to insert incorruptible
artificial teeth on pivot and plate, in the
latest and most improved manner. Most per-
sons know the danger and folly of trusting
their work to the ignorant as well as the
traveling dentist. It matters not how much
experience a person may have, he is liable to
have some failures out of a number of cases,
and if the dentist lives at a distance, it is fre-
quently put off until it is too late to save the
tooth or teeth as it may be, otherwise the in-
convenience and trouble of going so far.—
Hence the necessity of obtaining the services
of a dentist near home. All work warranted.

Something New.
The public are respectfully informed that
the undersigned has opened, in the Borough
of Stroudsburg, a NEW

nishes, French and Common Glass, &c.
The stock will also embrace FANCY NOT-
IONS in endless variety, from which all
tastes can be gratified, including
Perfumery, Plain and Fancy Glass Ware,
Tooth, Hair and Toilet Brushes; Combs, &c.
ALSO—Pure
WINES AND LIQUORS
for medicinal purposes, which bear their own
recommendation.
Every article will be warranted pure and
fresh, and will be dispensed by an assistant
whose experience in the business is such as
to deserve the unlimited confidence of the
public. Call and see.
