AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Piuples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had a presented to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours, Yours, ALFRED B. TALLEY.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12t Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the

persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bo tles of your Sarsaparilla cured me from a Goi're - a bid

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; " most cheerfully comply with the request of your agent is saying I have found your Sarsaperilla a most excellen alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Lencorrhoea by it, and some where the complaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowl-

edge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous overian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing but extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains,

Syphilis and Mercurial Disease. New Orleans, 25th August, 1859. Dr. J. C. Aven: Sir, I cheerfully comply with the re quest of your sgent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mer curial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken cured him in five weeks. Another was attacked by sec eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so ser sitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, teo, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results

with it have not surprised me.
Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint INDEPENDENCE, Preston Co., Va., 6th July, 1850.

Dr. J. C. Aver: Sir, I have been afflicted with a pain ful chronic Bheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sursaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Roy, Mr. Espy, advised me to try your Sarsapariila, because he said he knew you, and any thing you made was worth trying. By the bless ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones:

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them Dyspepsia, Heart Disease, Fits, Epilep-

sy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the atterative power of this medicine. It stimu lates the vital functions into vigorous action, and thu overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will

do for them all that medicine can do. Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitls, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass an other for the curs of throat and inng complaints, that i is uscless here to publish the evidence of its virtues. It norivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made known throughout the civilized nations of the carth Few are the communities, or even families, among then who have not some personal experience of its effects some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the vir-tues that it did have when making the cures which have won so strongly upon the confidence of mankind. IF Enormous Business for one New York Merchant.-We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wolfe's extensive ware house, Nos 18, 20 and 22, Beaver street, and Nos. 17, 19, and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases-Vintages of 1836 to 1856; and ten thousand cases of Maderia, Sherry and Port Wine, Scotch and Irish Whisky, Jamacia and St. Croix Rum. some very old and equal to any in this couniry. He also had three large cellars, filled works are historically valuable, as handbooks with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. raphy and manners of the Holy Land. The Wolfe's sales of Schnapps last year amountstyle is interesting and powerful and the work ed to one hundred and eighty thousand dozleads us to the contemplation and study of en, and we hope in less than two years he the sublime language of the Bible and the may be equally successful with his Brandies

His business merits the patronage of every lover of his species. Private families who wish pure Wines and liquors for medical use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace

it with Wolfe's pure Wines and Liquors. We understand Mr. Wolfe, for the accomnodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.
