 The only Genuine, — the only Pure, — the only Medical — DR. WISTAR'S BALSAM OF WILD CHERRY is prepared by SEYMOUR & CO., 18 Fremont Street, Boston, and has their PRINTED name, as well as the WRITTEN signature of J. BUTTS, on the outside wrapper. All other is worthless, and to purchase it is to injure your lungs. Let the ink and the seal, as they appear and hold to be careful, take no other, and avoid all others, as they are impostors.

VALUABLE TESTIMONY
 From Rev. Jacob Schiller, well known and highly respected throughout the State of Pennsylvania.
 HANOVER, PA., Feb. 15, 1859.
 Messrs. S. W. FOWLE & CO., Boston. — Dear Sirs: Having realized in my family important benefits from the use of your valuable preparation, — Wistar's Balsam of Wild Cherry, — it affords me the pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against cheap imitations, because there is a great deal of spurious Wistar's Balsam of Wild Cherry of late throughout the country.
 Dr. Schiller is of a noble and noble family. The only Genuine, Pure, and Medical Balsam has the name of "J. BUTTS" written with a pen, and the printed name of the proprietors, "S. W. FOWLE & CO.," on the outer wrapper.

"Man! Know Thyself." DR. HUNTER'S MEDICAL MANUAL:
 Being an original and popular Treatise on MAN AND WOMAN,
 Their Physiology, Functions, and Sexual Disorders of every kind, with never-failing Remedies for the speedy Cure of diseases of a private and delicate character incident to the violation of the laws of Nature and of Nature's God.
 PRICE TWENTY-FIVE CENTS.

The author of the above volume is a graduate, and having devoted a quarter of a century to the study and treatment of Syphilis and kindred disorders as a specialty, he has become possessed of most invaluable information in regard to the same, and is able to compress into vademecum compass the very quintessence of medical science on this important subject; as the result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelphia alone.
Testimony of the Professor of Obstetrics in Penn. College, Philada.
 "Dr. Hunter's Medical Manual."—The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.
 JOSEPH S. LONGSHORE, M. D.
 From A. Woodward, M. D. of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manual." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functions produced by self-abuse or excess of venery, I do not know his superior in the profession. I have been acquainted with the Author some thirty years, and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.
 ALFRED WOODWARD, M. D.

GIVE THEM A TRIAL! SILVER'S PLASTIC PAINTS:
 CHEAP, DURABLE AND PROTECTIVE, Weather and Fire-Proof.
 These paints will stand any climate, without crack or blister and harden by exposure, thus making in time an enamel of stone, protecting Wood from decay, and Iron and other metals from rust and corrosion. They differ, essentially, from the so-called mineral paints of the day which are, principally, Ocheres and Clays, and are entirely worthless. Silver's Plastic Paints are Purely METALLIC, containing no Alum or Clay.
 They are levigated finely, mix readily with Linseed Oil, (without the trouble of grinding,) and flow under the brush as the best White Lead, and excel all others in body or covering properties, one pound of which will cover as much surface, as two pounds of White Lead, reducing the cost two-thirds. There are six distinct colors, viz:—
 Olive, Light Brown, Light Chocolate, Black, Dark do, Deep do.
 All equally valuable as a preservative Paint and particularly adapted to painting The outside of Buildings, Fences, Steamboats, Cars, Tin and Iron work.
 REMEMBER! Exposure hardens and increases the Durability of these Paints. DIRECTIONS.—Mix with pure Linseed oil, as thickly as possible, as the Paint is the lasting protecting body, and the oil simply the medium or agent in spreading it.

THE ONLY PREPARATION THAT HAS STOOD THE TEST OF YEARS, And grows more and more popular every day!

And testimonials, new, and almost without number, might be given from ladies and gentlemen in all grades of society, whose united testimony none could resist, that Prof. Wood's Hair Restorative will restore the bald and gray, and preserve the hair of the youth to old age, in all its youthful beauty.
 Battle Creek, Mich. Dec. 21st, 1859.
 Prof. Wood: Thee will please accept a line to inform thee that the hair on my head all fell off over twenty years ago, caused by a complicated chronic disease, attended with an eruption on the head. A continual course of suffering through life having reduced me to a state of dependence, I have not been able to obtain stuff for caps, neither have I been able to do them up, in consequence of which my head has suffered extremely from cold. This induced me to pay Briggs & Hodges almost the last cent I had on earth for a two dollar bottle of thy Hair Restorative about the first of August last. I have faithfully followed the directions and the bald spot is now covered with hair thick and black, though short, it is so coming in all over my head. Feeling confident that an over-large bottle would restore it entirely and permanently, I feel anxious to persevere in its use, and being destitute of means to purchase any more, I would ask thee if thee wouldst not be willing to send me an order on thine agents for a bottle, and receive to myself the scripture declaration—"the reward is to those that are kind to the widow and the fatherless."
 Thy friend, SUSANNAH KIRBY.

Ligonier, Noble Co. Ind'a, Feb. 5th, 1859.
 PROF. O. J. WOOD: Dear Sir:—In the latter part of the year 1852, while attending the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was almost entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaintances were to recognize me at all.
 At a once made application to the most skillful physicians in the country, but receiving no assurance from them that my hair could again be restored, I was forced to become reconciled to my fate, until, fortunately, in the latter part of the year 1857, your Restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired effect. Since that time, I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.
 As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recommended its use to many of my friends and acquaintances, who, I am happy to inform you, are using it with like effect. Very respectfully yours,
 A. M. LATTA,
 Attorney and Counsellor at Law.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.
 O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo.
 And sold by all good Druggists and Fancy Goods Dealers. [March 29, 1860.—11.]

Mutual Fire Insurance Company
 The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.
 The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the great security against loss or damage by fire, on the most advantageous and reasonable terms.

J. LANTZ, DENTIST.
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Something New.
 The public are respectfully informed that the undersigned has opened, in the Borough of Stroudsburg, a NEW
DRUG STORE,
 in the large four story building recently erected by Messrs. Fowler and Winemute, two doors above Robert Boy's Store, where he intends keeping always on hand, a large assortment of
 Drugs and Medicines, Paints, Oils, Varnishes, French and Common Glass, &c.
 The stock will also embrace FANCY NOTIONS in endless variety, from which all tastes can be gratified, including
 Perfumery, Plain and Fancy Glass Ware, Tooth, Hair and Toilet Brushes; Combs, &c. ALSO—Pure
WINES AND LIQUORS
 for medicinal purposes, which bear their own commendation.
 Every article will be warranted pure and fresh, and will be dispensed by an assistant whose experience in the business is such as to deserve the unqualified confidence of the public. Call and see.
