VALUABLE TESTIMONY From Rev. Jacob Sechler, well known and highly re-

spected throughout the State of Pennsylvania. HANOVER, PA., Feb. 16, 1859. Messrs, S. W. FOWLE & Co., Boston. — Dear Sers: Having realized in my family important benefits from the one of your valuable preparation, — Woter's Balance of Wild Corry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters scenard to be in a decline, and little hopes of her recovery were entertained. I then procuted a bettle of your ex-relient Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, in my individual case, made meanent use of your valuable medicine, and have always been benefited by it. I would, herever, cantion the public account imposition, because there is a good deal of spurious Wistor's Balcam of Wild Cherry official throughout the country.

"Man! Know Thyself." DR. HUNTER'S MEDICAL MANUEL:

Being an original and popular Treatise on MAN AND WOMAN,

Their Physiology, Functious, and Sexual Disorders of every kind, with never-failing and of Nature's God. PRICE TWENTY-FIVE CENTS.

The author of the ated a quarter of a century to the study and treatment of Syphilis and kindred disorders

connecting with the Express Train leaving of most invaluable information in regard to result of the experience of the most eminent physicians in Europe and America is thoroughly demonstrated in his own highly successful practice in the treatment of secret diseases in many thousands of cases in the City of Philadelpia alone.

Testimony of the Professor of Obstetrics in Penn. College, Philada.

"Dr. Hunter's Medical Manuel,"-The author of this work, unlike the majority of those who advertise to cure the diseases of which it treats, is a graduate of one of the best Colleges in the United States. It affords me pleasure to recommend him to the unfortunate, or to the victim of malpractice, as a successful and experienced practitioner, in whose honor and integrity they may place the greatest confidence.

JOSEPH S. LONGSHORE, M D. From A. Woodward, M. D. of Penn. University, Philada.

It gives me pleasure to add my testimony to the professional ability of the author of the "Medical Manuel." Numerous cases of Diseases of the Genital Organs, some of them of long standing, have come under my notice in which his skill has been manifest in restoring to perfect health, in some instances where the patient has been beyond medical aid. In the treatment of Seminal weakness or disarrangements of the functious produced by selfabuse or excess of venery, I do not know his quainted with the Author some thirty years and deem it no more than justice to him as well as a kindness to the unfortunate victim of early indiscretion, to recommend him as one in whose professional skill and integrity they may safely confide themselves.
