

THE Only Discovery

Worthy of any confidence for RESTORING

THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored, the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablation of the face, when it care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been badly imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which causes the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours,

A. C. RAYMOND.

Prof. O. J. Wood: Dear Sir:—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,

REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited:—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of a severe case of cholera, and have cured me of a chronic case of dysentery. I have been long and severely afflicted with cholera and dysentery, and have tried every remedy, but have been cured by your Pills. This is the third Volume, and the completion of a series of works by the same author, on the history of the Israelitish monarchy. The origin under Moses, was treated in the "Pillar of Fire," and its great glory under David is treated in this work, (The Throne of David,) while the decline of Hebrew power and the opening of the new dispensation meet their delineation in the "Prince of the House of David." These works are historically valuable, as handbooks of information relative to the scenery, geography and manners of the Holy Land. The style is interesting and powerful and the work leads us to the contemplation and study of the sublime language of the Bible and the great doctrines of truth it contains, without being, as such books too ordinarily are, either too maudlin, stupid, dogmatic or conceited." This work is designed to sketch the Hebrew history during the bondage in Egypt, the Prophet Moses being the central figure, and is a free and striking history of the period, in which the writer gathers first, from the Bible and then from profane history a vast mass of material, which by his genius, is thrown into a fanciful narrative of the most attractive character which carries the reader along without diminution of interest." THE SUNNY SOUTH.—"This book is composed of a series of letters, written in an interesting style of a narrative, embodying the most romantic features of social life on different kinds of plantations. We can bear testimony, from our own personal observation of similar scenes in the South, to their truthfulness as here depicted. They are portrayed in a vivid, interesting style, and we would like to see the book in the hands of thousands of deceived people, who have no personal knowledge either of Southerners or Southern life, except what they have gained from partisan journals, or those who intentionally have written to deceive."—Daily Republic, Buffalo, N. Y.

THE SUNNY SOUTH.—"This volume is in the form of letters. They give, so far as we can judge, faithful pictures of Southern life, and are penned without prejudice. They present scenes quite different from an 'Uncle Tom's Cabin,' the pictures presented here are quite graphic, and we think the portraits painted are in very nearly natural colors."—Boston Daily Bee.

THE SUNNY SOUTH.—"We have rarely peeped within the covers of a more appetizing volume. Although not intended as an answer to the foul untruths in the Uncle Tom's Cabin, it nevertheless, in its source all lies of such a nature, and we are glad to believe that the book will be read in thousands of northern homes. The south should also take to it benignantly, for independent of its truthfulness and integrity it is one of the liveliest and most entertaining books of the year."—Times, Greensboro, N. C.

THE SUNNY SOUTH.—"The enterprising publisher, G. E. Evans, Philadelphia, of Gift Book notoriety, is weekly issuing new works of interest, and spreading them over the country, and his system of transacting business may be looked upon as an institution, for diffusing knowledge, unequalled by any in the country. We commend this book to all."—Daily News.

THE SUNNY SOUTH.—"This is a captivating volume, strongly illustrative of Southern life. The heart of the authoress is with her theme, and she carries the interest of the reader along with her, as she, in her amusing off hand style, delineates the peculiarities of a Southern home."—Press.
