THE YEAR 1860.

BY THE BARD OF THE EASTON HALL OF FASHION. Loudly on the startled ear, Sounds the knell of the parting year; It has carried in its flight, Joys and sorrows from our sight; Hushed full many a joyous tone, Left full many a hearthstone lone, Many a heart made glad and bright. Many a grievous wrong made right; Various scenes has man passed through Since the year was young and new.

Let us cross awhile the Main-Trace (from waxing to its wane,) What in other lands, than ours, Has annoyed the ruling powers. First, Italia, "Classic Land," In the record thou shalt stand-(Beaming, on th' historic page, Hast thou stood, from age to age.) In the year which just has fled, By a Garribaldi led, Have thy sons, a noble band. Joined in thought, and heart, and band, On oppression's "funeral pyre," Lighted Liberty's bright fire, May it shine a beacon ray, Far as a tyranaic sway O'er one foot of land extends, Till no knee in bondage bends, Till the whole broad earth shall be One Biest Land of Liberty! Other grand events occurring, Union of Kingdoms; and demorring At Despotic Government; Signs of vast empires being rent, Have made European bases quake, And crowned heads with terror shake. We, with other pations, may

Contribute to this motley lay. This was an eventful year-Distinguished guests were welcomed here-Japanese Ambassadors Wander'd o'er fair freedom's shores, Were lionized, feasted and feted, Left America elated, Having paid well for receiving Insight in ENLIGHTENED living. Stood the cynosure of all The Belles, at levce, concert, ball; Led some fair ones in the dance, Left some in a pleasing trance-Back then to Old England went, Delighted with our government.

Blazing meteors, and bright, Once or twice burst on our sight; Superstition viewed their advent, As fereshadows to us sent-Of dire scenes, bloodshed, and death, On this portion of our earth. as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases. J. C. Aven & Co. Gents: I feel it my duty to acknowledge what your Sarsaparida has done for me. At length I was rejoiced to read in the tiespel Messenger that you had prepared or alterative (Sarsaparida), for I knew from your reputa-tion that any thing you made must be good. I sent to tine anali and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a menth, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age. and remain over gratefully. Yours,

quest of your agent, and report to you some of the effects
I have realized with your Sarsaparilla.
I have cared with it, in my practice, most of the complaints for which it is recommended, and have found in effects truly wonderful in the cure of Venered and Mer curied Disease. One of my patients had Syphilitie ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the nicers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, t.o. was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your isboratory must be a great remedy; consequently, these truly remarkable results

with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. Ayer: Sir, I have been afflicted with a pain ful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sassaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Later, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cured me, and has so purified my block as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
