

**AYER'S CATHARTIC PILLS.**

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some fit of sickness should be avoided, and should be averted by a timely use of the right remedy. Take Ayer's Pills, and cleanse out the disordered humors—purify the blood, and let the fluids move on unobstructed in health.

The night express Train east on N.Y. & Erie Railroad arrives at Great Bend at 3:23 a. m. connecting with the Express Train leaving Great Bend for New York and Philadelphia at 7 10 a. m.

A cold settles somewhere in the body, and obstructs the natural functions. These, if not relieved, lead upon themselves and the surrounding organs, producing great aggravation, suffering, and disease. While in this condition, oppressed by the derangements, take Ayer's Pills, and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and apparent in this trivial and common complaint, is also true in many of the deep and dangerous disorders. The same purgative effect is produced. Caused by intestinal obstructions and derangements of the natural functions of the body, they are equally, and many of them surely, cured by the same means. Some who know the value of Ayer's Pills will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well known public persons.

**J. LANTZ, DENTIST.**

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner.

Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—

Hence the necessity of obtaining the services of a dentist near home. All work warranted.
