IF Enormous Business for one New York Merchant.-We are happy to inform our felow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this mer chant's extensive business, although it will well repay any stranger or citizen to visit Udolpho Wotfe's extensive ware-house, Nos 18, 20 and 22, Beaver street, and Nos. 17, 19, and 21, Marketfield street. Train, the Brandy, some ten thousand cases-Vintages of 1836 to 1856; and ten thousand cases of Maderia, Sherry and Port Wine, Scotch and some very old and equal to any in this councry. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amount ed to one hundred and eighty thousand doz en, and we hope in less than two years he may be equally successful with his Brandies

His business merits the patronage of every lover of his species. Private families who wish pure Wines and liquors for medreal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the noisonous stuff from their shelves, and replace with Wolfe's pure Wines and Liquors.

Reliable Testimony. We call the attention of the reader to the following

letter from President Smith, of Wesleyan University: MIDDLETOWN, Conn., Feb. 28, 1859. SETH W. FOWLE & Co. - Gentlemen : - I first made use of the Oxygenated Bitters some seven or eight years since. Having suffered for twenty years from a form of dyspepsia, which was attended with a nervous headache, on an average of not less than one day in a week, I was induced, by the unpretending recommendation of Dr. Green, "to try one bottle, and if no benefit was received to discontinue the use."

The use of one bottle warranted a further trial, to the extent of some three or four, with a careful observance of the accompanying directions. The result was, an almost entire relief from the usual dyspeptic symptoms and their depressing, painful consequences. I believe these Bitters produced an entire change in the habits of my system, and upon the active energies of the digestive organs. I now deem myself as exempt from Dyspepsia as most persons. These Bitters have also been of service to other members of my family.

Very respectfully yours, AUGUSTUS W. SMITH.

Messis. Seth W. Fowle & Co., Gents : - I was, for many years, a great sufferer from Dyspepsia or Waterbrash, and tried almost everything within my reach, but to no benefit, until I was induced by the recommendation of my physician, Dr. Hazelton, to make use of the Oxygenated Bitters. The first bottle produced but a slight alteration in the disease, and had it not been for the urgent request of my physician, I should then have discontinued their use, thinking them to be of no avail; but his confidence inspired me to persevere, and after using to the extent of half a dozen bottles, I had entirely regained my health. I hope all Dyspeptic persons will be induced to give them a fair trial, being confident that the remedy is the most potent, for the various forms of Dyspepsia, that has been pro-
