

**THE ONLY DISCOVERY**  
**WORTHY OF ANY CONFIDENCE FOR RESTORING**  
**THE BALD AND GRAY.**  
 Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:

Bath, Maine, April 18th, 1859.  
 Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablation of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the main act and sale of various compounds as well as this, it has, no doubt, been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer for which I am very grateful: I gave it to my friends and they induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear Sir, yours,

A. C. RAYMOND  
 Prof. O. J. Wood: Dear Sir:—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, it was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whomever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,

REV. S. ALLEN BROCK.  
 P. S.—This testimonial of my approbation for your valuable medicine (as you are worthy of) is unsolicited;—but if you think it worthy a place among the rest, insert it if you wish; it not destroy and say nothing.

Yours, &c., Rev. S. A. B.  
 The Restorative is put up in bottles of three sizes, viz large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion to the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

ALL IN BOTTLES.  
 I beg leave to call the attention of the citizens of the United States to the above Wines and Liqueurs imported by UDOLPHO WOLFE, of New York, whose name is familiar in every part of this country for the purity of his celebrated Scheidam Schnapps. Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liqueurs, says:—'I will state my reputation as a merchant, my standing as a merchant of thirty years' residence in the city of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser. Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at retail by all Apothecaries and Grocers in Philadelphia.

 Read the following from the New York Courier:

**Enormous Business for one New York Merchant.**—We are happy to inform our fellow-citizens that there is one place in our country where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liqueurs, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit UDOLPHO WOLFE's extensive ware-house, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19, and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy some ten thousand cases—Vintages of 1856 to 1858; and ten thousand cases of Modern, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large casks, filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr. Wolfe's sales of Schnapps last year amount to one hundred and eighty thousand dollars, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liqueurs.  
 We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liqueurs. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to his own health and happiness.

 HANOVER, PA., Feb. 16, 1858.  
 Messrs. S. W. FOWLE & Co., Boston.—Dear Sirs,  
 Having realized in my family important benefits from the use of your valuable preparation, — Wolfe's Balsam of Wild Cherry, — it affords me pleasure to recommend it to the public. Some eight years ago one of my daughters seemed to be in a decline, and little hopes of her recovery were entertained. I then procured a bottle of your excellent Balsam, and before she had taken the whole of the contents of the bottle there was a great improvement in her health. I have, to my individual case, made frequent use of your valuable medicine, and have always been benefited by it. I would, however, caution the public against imitations, because there is a good deal of spurious Wolfe's Balsam of Wild Cherry about throughout the country.

**J. LANTZ, DENTIST.**  
 Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far. Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**Mutual Fire Insurance Company**  
 The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company.  
 The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer is or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the great security against loss or damage by fire, on the most advantageous and reasonable terms.
