I have cured with it, in my practice, most of the comeffects truly wonderful in the sure of Venered and Mercuried Disease. One of my patients had Syptolitic alease in his throat, which were consuming his pulste and the top of his mouth. Your Entseparilla, steadily takeh, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the alcoration had enten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sar-aparilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sen-

Dr. J. C. Ayer: Sir, I have been afflicted with a pointful chronic Rhenkiclism for a long time, which battled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Survaparilla. One bottle cored me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offsetion of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a holica-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the liev, Vr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the blessing of God it has cared me, and has so partited my bleed as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."
