

THE ONLY DISCOVERY
Worthy of any confidence for RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway.

Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co. Gentles:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has no doubt been basely imitated and used, not only without any good effect, but with absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which causes the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me my unshaken opinion of its valuable results. I remain, dear Sir, yours,

A. C. RAYMOND

Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,

REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited;—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the large, holds a quart, 40 per cent, more in proportion, and retails for \$3.

TO THE CITIZENS OF New Jersey and Pennsylvania, Apothecaries, Druggists, Grocers and Private Families.

Wolfe's Pure Cognac Brandy.
Wolfe's Pure Jamaica, Sherry & Port Wine.
Wolfe's Pure Scotch and St. Croix Rum.
Wolfe's Pure Scotch and Irish Whisky.

ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors imported by UDOLPHO WOLFE, of New York, whose name is familiar in every part of this country for the purity of his celebrated *Schnapss* Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the city of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser. Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at retail by all Apothecaries and Grocers in Philadelphia.

GEORGE H. ASHTON,
No. 829 Market St. Philadelphia.
Sole Agent for Philadelphia.

Read the following from the New York Courier:

"**IF ENORMOUS BUSINESS** for one New York Merchant.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit UDOLPHO WOLFE'S extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19, and 21, Marketfield street. His stock of *Schnapss* on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1836 to 1856; and ten thousand cases of Madera, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum some very old and equal to any in this country. He also has three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr. Wolfe's sales of *Schnapss* last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

AYER'S CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the result of a disordered bowels. Some fit of sickness is ever upon you, and should be removed by a timely use of the right remedy. Take Ayer's Pills, and cleanse your system. They purify the blood, and let the fluids move on unobstructed channels. They stimulate the functions of the body into vigorous action, purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. These, if not relieved, produce general prostration, suffering and disease. While in this condition, opposed by the derangement of the natural action of the system, and with it the buoyant feeling of health again. "Mind, body and soul" are in a state of depression and danger. The same purgative effect exists. Cause and cure are the same. It is a safe and delicate medicine, and does not injure the system. It is a safe and delicate medicine, and does not injure the system. It is a safe and delicate medicine, and does not injure the system.

As a Family Physic.

From Dr. E. W. Carter, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Taylor, Boston, Mass.

Headache, Sick Headache, Foul Stomach, cannot be cured by any other medicine than your Pills. I have used your Pills for several years, and they have cured me of all my ailments. I have used your Pills for several years, and they have cured me of all my ailments. I have used your Pills for several years, and they have cured me of all my ailments.

Bilious Disorders—Liver Complaints.

From Dr. Theobald Math, New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They have in my practice proved most beneficial for the cure of Bilious Disorders, and in every case I can mention. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the public.

Dysentery, Diarrhoea, Melas, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in as high esteem as one of the best I have ever found. Their aperient effect upon the Liver makes them an excellent remedy, when given in small doses, in the treatment of Dysentery, Diarrhoea, Melas, and Worms. They are very agreeable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Mrs. J. H. Jones, Pastor of Antioch Church, New York.

I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion, and to give the blood a healthy and pure quality, is the object of every physician, and I can confidently recommend them to my friends.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Pits, &c.

From Dr. J. P. Vaughn, Montreal, Canada.

Your Pills cannot be sold in your Pills for the cure of constipation. Mothers of our family have found them as efficacious as I have, they should join me in pronouncing them the best of the medicine which I have ever used. That complaint, which, although bad in itself, is the precursor of others that are worse. I believe in the use of them, I am now actually well. They cure and cure the disease.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
