

**THE Only Discovery**  
 Worth of any confidence for RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless way. Read the following:

Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which cures the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours,

A. C. RAYMOND

Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,

REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited;—but if you think it worthy a place among the rest, insert if you wish, it not to destroy and say nothing.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

ALL IN BOTTLES.

I beg leave to call the attention of the citizens of the United States to the above Wines and Liquors imported by Uopolpho Wolfe, of New York, whose name is familiar in every part of this country for the purity of his celebrated Schiedam Schnapss Mr. Wolfe, in his letter to me, speaking of the purity of his Wines and Liquors, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the city of New York, that all the Brandy and Wines which I bottle are pure as imported, and of the best quality, and can be relied upon by every purchaser. Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. For sale at retail by all Apothecaries and Grocers in Philadelphia.

GEO. H. ASHTON,

Read the following from the New York Courier:

"Enormous Business for one New York Merchant.—We are happy to inform our fellow-citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will repay any stranger or citizen to visit Uopolpho Wolfe's extensive warehouse, Nos. 18, 20 and 22, Beaver street, and Nos. 17, 19, and 21, Marketfield street. His stock of Schnapss had long been ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintage of 1836 to 1856; and ten thousand cases of Madera, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, very very old and equal to any in this country. He also has three large cellars, filled with Brandy, Wine, &c., in casks, under Custom-House key, ready for bottling. Mr Wolfe's sales of Schnapss last year amounted to one hundred and eighty thousand dollars, and we hope in less than two years he may be equally successful with his Brandy and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and liquors for medicinal use should send their orders direct to Mr. Wolfe, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with Wolfe's pure Wines and Liquors.

We understand Mr. Wolfe, for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

**AYER'S CATHARTIC PILLS.**

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your countenance sallow? These symptoms are often the prelude to serious illness. Ayer's Cathartic Pills, taken as directed, will cleanse out the disordered humor, and restore the system to health. They stimulate the functions of the body into vigorous activity, purify the system from all obstructions, and disengage the natural functions. They relieve the bowels, and restore the general system, suffering, and disease. While in this condition, oppressed by the derangements of the blood, and the morbid action of the system, and with the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the most desperate and dangerous disorders. The same purgative effect expels them. Caused by similar obstructions and derangements of the naturally healthy system, they are equally cured by the same means. None who know the virtues of these Pills, will neglect to employ them when suffering from any of the disorders they cure. They are sold in the principal cities, and from other well known public purgatives.

From a Flourishing Merchant of St. Louis, Mo., 1855.

Dr. J. C. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of nervous prostration, and also my wife of a chronic complaint of the bowels, which she has long been afflicted with. After our child had been cured, she told me your Pills, and they have cured her.

ASA MORRIDGE,  
 As a Family Physician.

From Dr. E. W. Carter, New Orleans.

Your Pills are the prince of purgatives. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you what complaints have been cured with your Pills, but I can say that I have used an official cathartic in my daily course with disease, and believing as I do that your Pills effect the cure of our diseases, I do not think you are over-claiming for them.

PITTSBURG, Pa., May 1, 1855.

Dr. J. C. AYER: Sir, I have been repeatedly cured of the worst headache, and the surrounding nervous prostration, by your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect,  
 ED. W. FREBLE,  
 Clerk of St. Charles Church.

Bilious Disorders—Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their benefits extend to the liver very markedly indeed. They have in my practice proved more effectual for the cure of bilious complaints than any one remedy I can mention. I have seen cases of bilious dysentery that did not readily yield to other remedies, but were cured by your Pills, which I would give the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,  
 Washington, D. C., 7th Feb., 1855.

Sir: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of bilious dysentery that did not readily yield to them.

FRATERNALLY YOURS,  
 ALONZO BALL, M. D.,  
 Physician of the Marine Hospital.

Dysentery, Diarrhoea, Relax, Worms.

From Dr. J. C. Ayer, New York.

Your Pills have had long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy when given in moderate quantities. They are very safe, and do not produce any of those violent effects which are so common to other cathartics. They are very agreeable, and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Mrs. J. V. Hines, Pastor of Advent Church, Boston.

Dr. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit. I can regulate the organs of the system, and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours,  
 WANSWY, Wymouth Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and purify the functions of the organs.

JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, &c.

From Dr. J. P. Taylor, Montreal, Canada.

Two months cannot be said of your Pills for the cure of costiveness. Mothers of our families have found them as efficacious as I have, they should join me in proclaiming their benefit to the millions who suffer from that complaint, which, although bad enough in itself, is the precursor of others that are worse. I believe that your Pills are the best in the world, and that they will cure and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent purgatives of the natural secretions of the body, and partially expel, and also effectual to cleanse the stomach and expel worms. They are so much the best physic we have that I recommend them to my patients.

From the Rev. Dr. H. H. H. of the Methodist Ep. Church, PELASSEE HOUSE, SAVANNAH, Ga., Jan. 6, 1855.

HONORABLE SIR: I should be ungrateful for the relief your Pills have brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating neuralgic pains, which ended in chronic rheumatism. Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SEANAR CRISHER, Boston, Mass., 5 Dec. 1855.

Dr. AYER: I have been entirely cured by your Pills of Rheumatic Gout—a painful disease that had afflicted me for years.

VINCENT, Dr. V. HINES.

Age—Most of the Pills in market contain Mercury, which, although a valuable remedy in skilful hands, is dangerous in a public pill, from the dreadful consequences that frequently follow its use. In the Pills of these Pills, there is no Mercury or mineral substance whatever.

Price, 25 cents per Box, or 5 Boxes for \$1.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass.

Sold in Stroudsburg, by Hollinshead & Detrick.

**J. LANTZ, DENTIST.**

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
