RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway Read the following:-

Bath, Maine, April 18th, 1859. Prof. O. J. Wood & Co: Gents :- The let- at ler I wrote you in 1856 concerning your valunble Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the tacts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color ? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more solt, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by trequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to Passengers from New York, leave be good; as there is so much fraud in the manu acture and sale of various compounds Or foot of Courtland street at as well as this, it has, no doubt been basely From Phila, leave Kensington imitated and been used, not only without any Leave Junction, . . . good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart hottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affectious, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OARLAND, Ind., 6th June, 1859, J. C. Aven & Co. Gents: I feel it my duty to ac knowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have soffered from it in various ways for years. Sometimes it burst out in Ulcers on my basels and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and cars with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much reflef from any thing. In physicians, but without butth rener from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messengor that you had prepared an alterative (carsapariila), for I knew from your reputa-tion that any thing you made must be good. I sent to Cincinnatian dgot it, and used it till it cared me. I took it as you nivers in small doses of a tessue and over a it, as you navise, in small doses of a tenspoonful over a month and used almost three bottles. New and healthy kin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the ago, and remain over gratefully. Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rhenm, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1-59, that he has cared an inveterate case of Dropsy, which threatened to terminate fafally, by the persevering use of our Sarsaparilla, and also a cobgerous Malignant Erysipelus by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prespect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goi're — a hidcons swelling on the neck, which I had suffered from

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Pr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparitla a most excellent alterative in the numerous complaints for which we employ such a remesty, but especially in Female Discurses of the Scrofulous diathesis. I have cured many inveter-ate cases of Leucorrhoen by it, and some where the complaint was caused by ulceration of the ulcrus. The ulcer-ation itself was soon cured. Nothing within my knowledge equals it for these female derangements." Edward S. Marrow, of Newbury, Ala., writes, " A dangerous warian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpa tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. Syphilis and Mercurial Disease.

New Obleans, 25th August, 1859.

Dr. J. C. Aven: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsayarilla. I have curred with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the sure of Venezeal and Mercarried Discose. One of my patients had Syphilitic alcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, stendily taken, cured him in five weeks. Another was attacked by sec ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would seen reach his brain and kill him. but it eided to my administration of your Earsapartia; th ulcers healed, and he is well again, not of course without ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so strustive to the weather that on a damp day she suffered exeruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. Ayer: Sir, I have been afflicted with a psin ful chronic Rheumatism for a long time, which buffled the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an affection of the Liver, which destroyed my localth. I tried every thing, and every thing failed to relieve me; and I have been a broken down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espe, advised me to try your Sarsaparilla, because he said he knew you and any thing you made was worth trying. By the bless ing of God it has cured me, and has so parified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Extellation of

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our \*merican Almanac, which the agents below named are pleased to fornish gratis to all who call for them.

Dyspepsia, Heart Discose, Pits, EpHepsy, Melancholy, Neuraigia Many remarkable cures of these affections have been made by the alterative power of this associate. It stimulates the vital functions into vigorous action, and thus evercomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.
