The enquiries are. first, is it a fact of my habitation and name. as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and or natural color ! To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soit, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to Passengers from New York, leave be good; as there is so much fraud in the manu'acture and sale of various compounds Or foot of Courtland street at as well as this, it has, no doubt been basely From Phila, leave Kensington imitated and been used, not only without any Leave Junction, . . . good effect, but to absolute injury. I received your lavor of two quart hottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. Serofula and Scrofulous Affectious, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Beils, Blolus, and all Skiu Diseases.

OAKLAND, Ind., 6th June, 1859. J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered playing inherited a Scrofulous infection. I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome layout description. I tried many medicines and several physicians, but without much relief from any thing. In fact the discrete grow ways. At leastly I was provided physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to the innational got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the seab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the aposties of the age and remain ever gratefully. Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Prebie writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case

Dropsy, which threatened to terminate fatally, by the persevering use of our carsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three hot-tles of your Sarsaparilla cured me from a Galre — a hid-eous swelling on the neck, which I had suffered from over two years."

Lencorrhea or Whites, Ovarian Tumer, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saying I have found your Sar-aparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Finade Diseases of the Scrofulous diathests. I have cured many inveterate cases of Leucorrhea by it, and some where the complaint was caused by ulceration of the wheres. The ulceration itself was soon cared. Nothing within my knowledge of the complete of the com edge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous assirian tumor on one of the females in my family, gerous assirian tumor on one of the females in any family, which had defled all the remedies we could employ, has at length been completely cored by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

New Obleans, 25th August, 1850.

Dr. J. C. Aven: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have realized with your Sarsaparina.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venezed and Mercurial Discuss. One of my patients had Syphilitic nicers in his throat, which were consuming his palate and the top of his month. Your Sarseparilla, stendily taken, cured him in five weeks. Another was attacked by sec-ondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the der would soon reach his brain and bill him. But it yielded to my administration of your Sarapavilla; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sen-sitive to the weather that on a damp day she suffered ex-cruciating pain in her joints and bones. She, teo, was cared entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va. 6th July, 1869.
Dr. J. C. Aver: Sir, I have been afflicted with a painful chronic Rheumatica for a long time, which builted the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Earsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FiXEAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offiction of the Liver, which distroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man
