The enquiries are, first, is it a fact of my habitation and name, s stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color ! To a!l I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the Cants of various styles of goods, and hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to Drugs and Medicines, Paints, Oils, Varbe good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely TIONS in endless variety, from which all unitated and been used, not only without any tastes can be gratified, including count for some months, and yet my hair is as ALSO-Pure good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. ## AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. Aver & Co. Gents: I feel it my duty to ne-knowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it barst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without neach relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it as you wister in small disset of a tenspecuful over a it, as you advise, in small doses of a teaspoonful over a menth, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a white fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully.

ALFRED R TALLEY. Yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erystpelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12tl Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the

persevering use of our Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cures the common Eruptions by it constantly. Bronchocele, Geitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goire—a hid-gous swelling on the neck, which I had suffered from

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases. Dr. J. B. S. Channing, of New York City, writes; "I most cheerfully comply with the request of your agent in saving I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrheen by it, and some where the com plaint was caused by ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowl-

edge equals it for these female derangements." Edward S. Marrow, of Newbury, Aia., writes, "A dangerous operion tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sar-saparilla. Our physician thought nothing but extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and i proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease. New ORLEANS, 25th August, 1859. Dr. J. C. AYER: Sir, I cheerfully comply with the re-

quest of your agent, and report to you some of the effects I have realized with your Sarsaparllla. I have cured with it, in my practice, most of the com-plaints for which it is recommended, and have found its effects truly wonderful in the case of Veneral and Mer-curial Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, stendily taken, cured him in five weeks. Another was attacked by seondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsa; arilla: the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sen sitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results

with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. Rhenmatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumoten for a long time, which haffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsupavilla. One bottle cured me in two weeks, and restored my general health so much that I am for better than before I was attacked. I think it a wonderful medicine. J. FREAM. Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an offection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than decongement of the Liver. My beloved paster, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bless-

ing of God it has cared one, and has so purified my breed as to make a new man of me. I feel young again. The best that can be said of you is not half good enough." Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimu-lates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

## Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Brenchitis, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages

of the Disease. This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth Few are the communities, or even families, among them who have not some personal experience of its effects—
some living trophy in their midst of its victory over-the
subtle and dangerous disorders of the throat and lungs.
As all know the dreadful fatality of these disorders, and
as they know, too, the effects of this remedy, we need not
do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.
