THE Only Discovery

Worthy of any confidence for RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless way.

Read the following:— Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case.

first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair.

A. C. RAYMOND

Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative.

REV. S. ALLEN BROCK

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited;—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 a pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD.

And for the speedy cure of the following complaints: Scrofula, Affecting the Face, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blisters, Boils, Blains, and all kinds of Skin Diseases.

OAKLAND, Ind., 6th June, 1859. J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited Scrofulous Indisposition, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and troublesome beyond description. I tried many medicines and several physicians, but without such relief from any thing. In fact, the disorder grew worse. At length I was referred to "Cincinnati" and tried the Sarsaparilla. I took it, as you advise, in small doses of a teaspoonful every month, and used almost three bottles. New and healthy skin began to form under the old crust. I took it, as you advise, in small doses of a teaspoonful every month, and used almost three bottles. New and healthy skin began to form under the old crust. ALFRED R. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Public writes from Salem, N. Y., 12th Sept. 1858. I have been afflicted with a violent case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Maligant Erysipelas, by the use of your Sarsaparilla, says he cured the common Eruptions by it constantly.

Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from cold employ, and a sore swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Female Erysipelas, Pearly Discharge.

Dr. J. B. S. Channing of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent medicine for the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea, and several cases of Erysipelas. My patient was cured by the use of your Sarsaparilla. The ulceration was caused by absorption of the virus. The ulceration itself was soon cured. Nothing will by my knowledge cure the disease so completely as your Sarsaparilla."

Edward S. Marrow, of Newbury, Ala., writes: "A dangerous ovarian tumor on one of the females in my family, which defied all the remedies we could employ, and at length became completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation would be effected, but he advised me to try your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptoms of the disease remained."

Syphilis and Mercurial Disease. NEW ORLEANS, 25th August, 1860.

Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects he has realized by the use of your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found it perfectly wonderful in the cure of Erysipelas and Scrofulous Disease. One of my patients had Syphilis in his throat, which was consuming his pharynx and the top of his mandible. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not only free from any disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, I have truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which left the skill of physicians and struck to me in spite of all the remedies I could find, until I tried some Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it wonderful medicine. J. B. HAM.

Julius Y. Getchell, of Le Sueur, La., writes: "I have been afflicted for years with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed until I have used your Sarsaparilla. I have been free from my complaint for some years from no other cause than the use of your Sarsaparilla. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew of no other thing you made was worth trying. By the blessing of God it has cured me, and has so purified my blood that I feel a new man in me. I feel that your Sarsaparilla is the best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in the American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Rheumatism, &c.

Many remarkable cures of these affections have been made by the virtuous power of this medicine. It stimulates the vital functions into vigorous action, and thus cures diseases which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF Coughs, Colds, Inflammation of the Throat, Hoarseness, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, in all climates throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some experience of its efficacy. It has won some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has no small virtues. Let them know, too, the effects of this remedy, we need not do more than to assure them that it has no small virtues. Let them know, too, the effects of this remedy, we need not do more than to assure them that it has no small virtues.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home.
