THE ONLY DISCOVERY

Worthy of any confidence for RESTORING THE BALD AND GRAY. Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless way.

Prof. O. J. Wood & Co. Gentlmen:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past.

Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was.

REV. S. A. B. P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited;—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing.

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Eruptions of the Skin, Sores, Ulcers, Pimples, Pustules, Blisters, Boils, Blains, and all Skin Diseases.

J. C. AYER & Co. Gentlmen: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disease grew worse. At length I was rejoiced to read in the (Boston) Register that you had prepared an alterative (Sarsaparilla) for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now and healthy skin soon began to form under the scalp, which after a while fell off. My skin is now clear and free from any feelings that the disease has gone from my system. You will well believe that I feel what I am saying when I tell you that I feel it to be one of the species of this age, and remain ever gratefully, Yours, ALBERT B. TALLEY.

St. Anthony's Fire, Rashes or Eruptions, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Probst writes from Salem, N. Y. 12th Sept. 1856, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the purgative use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by the same means. He says he cures the common Erysipelas by it constantly. Bronchocoe, Gout, or Swelled Neck. Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a violent and dangerous swelling of the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, or Uterine Discharges. Dr. J. B. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most valuable medicine in the numerous complaints for which we employ such a remedy, but especially in Female Diseases of the Scrofulous diathesis. I have cured many cases of Leucorrhoea, and it, and some where the complaint was caused by absorption of the uterus. The ulceration itself was soon cured. Nothing with my knowledge equals the Sarsaparilla for these female derangements."

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.— Hence the necessity of obtaining the services of a dentist near home. All work warranted.

Mutual Fire Insurance Comp'y

The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company. The net profits arising from interest or otherwise will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer is or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the great security against loss or damage by fire, on the most advantageous and reasonable terms. Applications for Insurance to be made in person, or by letters addressed to WM. K. HAVILAND, Secretary. MANAGERS. J. Dupre Labar, Jacob Knecht, Richard S. Staples, Jacob Stouffer, Charles Peters, Wm. K. Haviland, Silas L. Drake, Theodore Schoch, Godlieb Aueracher, Thomas W. The subscriber has just opened an entirely new and complete stock of goods of the best quality and description, to which he would respectfully call the attention of Merchants and Dealers who wish to find a good article cheap for Cash. These goods were bought for Nett Cash, at the greatly reduced prices consequent upon the stringency of the times, and believing the "aimable stipence" to be better than the "shallow shilling," they are now offered to the public at prices that defy competition.

The following are a few of the articles always on hand: Pails and Tubs of all kinds and qualities, Toy Pails, Salt and Sugar Boxes, Half Bushel and Peck Measures, Well Buckets, Towel Rollers, Patent head and straight clothes pins, wash boards, wooden mop handles, Grain scoops, Toy Wheelbarrows, Corn Brooms, every variety, Shoe, Paint, Scrub, and Sweep brushes, &c.

Clothes brushes, Baskets, Willow and ratan chairs, skirt ratons, bird cages, clothes lines, bed cords, skirt cords, the yarn Twines of all kinds, together with a large assortment of Notions and Fancy Goods. Hosiery, Gloves, Shirts, Drawers, Threads, &c., cheap from auction.

These goods are all new and carefully selected, are offered at prices that cannot fail to attract attention. Buyers will invariably find it to their own interest to call before purchasing elsewhere. Particular attention given to packing goods for shipment, so as to prevent damage or excessive charges for freight. Orders by Mail promptly attended to. CHARLES W. DEAN, 119 Market st., north side, below 2nd, Phila.
