**THE Only Discovery**

Worthy of any confidence for RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th, 1859.

Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been badly imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful: I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours,

A. C. RAYMOND. Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,

REV. S. ALLEN BROCK. P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing. Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/2 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3. O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers. [March 29, 1860.—1y.]

**AYER'S Sarsaparilla**

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Eczema, Pimples, Spittles, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859. J. C. AYER & Co. Gents: I feel it my duty to acknowledge that your Sarsaparilla has done for me, what I have been unable to do for myself. I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and troublesome beyond description. I tried many medicines and several physicians, but without success from any thing. In fact, the disorder grew worse. At length I was referred to read in the Gospel Messenger that you had prepared an alternative (Sarsaparilla), for I knew from your reputation that any thing you put out must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a meal, and succeeded in curing my disease. My scalp and skin soon began to form under the scalp, which after a while fell off. My skin is now clear, and I know by my feelings that you have cured me. I feel that I am saying what I can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, ALFRED B. TALLEY.

**St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Itch, Eczema, &c.** Dr. Robert M. Priddy writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of Dropsy, which threatened to terminate fatally, by the persevering use of your Sarsaparilla, and also a dangerous Malignant Erysipelas by large doses of the same; says he cured the common Eruptions by its constantly. **Erysipelas, Eczema or Salt Rheum, Scald Head, Ringworm, Itch, Eczema, &c.** Dr. J. B. Channing of New York City, writes:—I have cured completely the most obstinate and violent form of the Scrofulous Diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the same. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements. **Leucorrhoea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.** Dr. J. B. Channing of New York City, writes:—I have cured completely the most obstinate and violent form of the Scrofulous Diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the same. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements. **Edema of the Neck, or Swelling of the Neck.** Dr. J. B. Channing of New York City, writes:—I have cured completely the most obstinate and violent form of the Scrofulous Diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some where the complaint was caused by absorption of the same. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements. **Syphilis and Mercurial Diseases.** Dr. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Yeast and Mercurial Disease.* One of my patients had Syphilis in its progress in his throat, which was consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder had soon reached his brain and killed him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, and of course without some discharge to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from my female patients, which you have given me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me. Fraternally yours, G. V. LARIMER, M. D. **Rheumatism, Gout, Liver Complaint.** Independence, Preston Co., Va., 14th July, 1859. Dr. J. C. AYER: Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One evening, after two weeks of rest, I was seized with a chill, which so much that I am far better than before I was attacked. I think it a wonderful medicine. J. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from the effects of this disease. It is now cured by your Sarsaparilla. The Rev. Mr. Epp, advised me to try your Sarsaparilla, because he said he knew you, and was well with it. By the blessing of God he has cured me, and has so purified my blood as to make a new man of me. I feel your agent, "The Herald," and I feel that I am saying what I can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully, ALFRED B. **Ayer's Cherry Pectoral,** FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is needless here to publish the evidence of its efficacy. It is equally valuable for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized and uncivilized world. Few are the communities, or even families, among whom it does not possess some personal experience of its effects—some living trophy in their midst of its power over the most subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that they will find all the virtues that it did have when making the cures which have so strongly upon the confidence of the people, and we are confident that this will do for them all that medicine can do.

**J. LANTZ, DENTIST.** Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap Store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far.—Hence the necessity of obtaining the services of a dentist near home. All work warranted.

**Mutual Fire Insurance Company.** The rate of Insurance is one dollar on the thousand dollars insured, after which payment no subsequent tax will be levied, except to cover actual loss or damage by fire, that may fall upon members of the company. The net profits arising from interest or otherwise, will be ascertained yearly, for which each member in proportion to his, her, or their deposit, will have a credit in the company. Each insurer in or with the said company will be a member thereof during the term of his or her policy. The principle of Mutual Insurance has been thoroughly tested—has been tried by the unerring test of experience, and has proved successful and become very popular. It affords the greatest security against loss or damage by fire, on the most advantageous and reasonable terms. Applications for Insurance to be made in person, or by letters addressed to Wm. K. HAVILAND, Secretary. MANAGERS. J. Dupue Lobar, Jacob Kuecht, Richard S. Staples, Jacob Stouffer, Charles Peters, Wm. K. Haviland, Silas L. Drake, Theodore Schoch, Godlieb Auercher, Thomas W.
