AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the fellowing complaints: Scrofula and Scrofulous Affectious, such as Tumors, Ulcers, Seres, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OASLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputa-tion that any thing you made must be good. I sent to Cincinnatiand got it, and used it till it cured me. I took t, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully. Yours, ALFRED B. TALLEY.

St. Anthony's Fire. Rose or Erysipelas, Tetter and Salt Rhenm, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate ca

I have cured many inveterate cases of Leucorrheea by it, and some where the complaint was caused by niceration of the nierus. The niceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dan-gerous orarian tumor on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpa-tion could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. Syphilis and Mercurial Disease. New Orleans, 25th August, 1859. Dr. J. C. Aven: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects

have realized with your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal of curved Disease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his month. Your Sarssparilla, steadily taken, cured him in five weeks. Another was attacked by sec eaten away a considerable part of it, so that I believe the disorder would soon reach his beain and kill him. But it yielded to my administration of your Sarsaparilia; the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D. Rheumatism, Gout, Liver Complaint. INDEPENDENCE, Preston Co., Va., 6th July, 1859.
DR. J. C. AYER: Sir, I have been afflicted with a pain ful chronic Rheumotism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general ealth so much that I am far better than before I was HUNTS "COURT TOILET POW. attacked. I think it a wonderful medicine. J. File AM. Jules Y. Getchell, of St. Louis, writes: "I have been destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than derangement of the Liver. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and any thing you made was worth trying. By the bless ing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement, Ulceration, Carles and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Con-sumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects -some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind. Prepared by Dr. J. C. AYER & CO., Lowell, Mass.
