THE Only Discovery

Worthy of any confidence for RESTORING THE BALD AND GRAY. Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—

Bath, Maine, April 18th, 1859. Prof. O. J. Wood & Co. Gents.—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; and the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when if care were used by wiping the face in close connection with the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and been used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face, and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear Sir, yours, A. C. RAYMOND.

Prof. O. J. Wood: Dear Sir,—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restorative extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours, REV. S. ALLEN BROCK. P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited,—but if you think it worthy a place among the rest, insert it if you wish; if not destroy and say nothing. Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz: large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3. O. J. WOOD & CO., Proprietors, 444 Broadway, New York, and 114 Market Street, St. Louis, Mo. And sold by all good Druggists and Fancy Goods Dealers. [March 29, 1860.—1y.]

AYER'S Sarsaparilla

FOR PURIFYING THE BLOOD. And for the speedy cure of the following complaints: Scrofula and Scrofulous Affections, such as Ulcers, Sores, Eruptions, Pimples, Pastules, Blisters, Boils, Blains, and all Skin Diseases, &c. D. C. AYER & CO. GENTS: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having suffered a Scrofulous infection, I have suffered in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was rejoiced to read in the Globe of the Sarsaparilla, for I knew from your reputation that any thing you made must be good. I sent to you for a box of Sarsaparilla, and used it as directed. I took it as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. Now and healthy skin began to form under the scalp, which after a month, was completely cured. I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I feel to be one of the happiest of the age, and remain ever gratefully yours, ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, St. Anthony's Bite, Scald Head, Ringworm, Sore Eyes, Dropsy. Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept. 1859, that he has cured an inveterate case of Dropsy, which he had cured totally, by the persevering use of your Sarsaparilla, and also a dangerous Maligned Erysipelas by large doses of the same; says he cured the common Erysipelas by its constant use. Bronchocele, Goitre or Swelled Neck. Zebulon Sloan of Prosper, Texas, writes: "Three bottles of your Sarsaparilla cured me from a Goitre—a lump swelling on the neck, which I had suffered from over two years."

Leucorrhoea or Whites, Ovarian Tumor, Uterine Obstruction, Female Discharges. Dr. J. B. S. Manning, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints which attend a Scrofulous diathesis. I have cured many inveterate cases of Leucorrhoea by it, and some cases of the Scrofulous diathesis, the ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Dr. J. B. S. Manning, of New York City, writes: "I have cured many inveterate cases of Leucorrhoea by it, and some cases of the Scrofulous diathesis, the ulceration of the uterus. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Syphilis and Mercurial Disease. Dr. J. C. AYER, Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have had from your Sarsaparilla. I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful. I have cured many cases of Syphilis, one of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the roof of his mouth. Your Sarsaparilla, after he had cured him in few weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that it deflected the blood from reaching his brain and killed him. But it yielded to my administration of your Sarsaparilla; the ulcers healed, and he is well again, not of course without some disfigurement to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. She had become so sensitive to the mercury that, on a change of climate, she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results will have not surprised me. Externally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint. Dr. J. C. AYER, Sir, I have been afflicted with a painful chronic Rheumatism for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FERRAM.

Julius Y. Getchell, of St. Louis, writes: "I have been afflicted with an affection of the Liver, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a hopeless man for some years from the effects of the Liver. It was the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best cure I can send you is not half good for me."

Schlemm's Cancer Tumor, Enlargement, Ulceration, Caries and Exfoliation of the Bones. A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of our Sarsaparilla, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuritis. Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a long list of cures could not be given. The necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral, FOR THE RAPID CURE OF Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and all the varieties of Coughs and Consumptive Patients in advanced Stages of the Disease. This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is needless here to publish the evidence of its virtues. Its unrivaled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth, and its use is recommended by the most eminent physicians who have not personal experience of its effects—some living trophy in their midst of its victory over the most subtle and dangerous disorders of the human lungs. As all know the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not to more than to assure them that it is the best of the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind. Prepared by Dr. J. C. AYER & CO., Lowell, Mass.

J. LANTZ, DENTIST. Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as the traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
