

AYER'S PILLS

Are curing the Sick to an extent never before known of any Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULIE HAZEL, Esq., the well known performer, of Chestnut Street, Philadelphia, whose choice products are found at almost every hotel, says: "I am happy to say of your **CATHARTIC PILLS**, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized the belief that they possess extraordinary virtues for driving out disease and curing the sick. They are not only effective, but safe and pleasant to be taken, and qualities which must make them valued by the public, when they are known."

"The venerable **Classical WARDLAW** writes from Baltimore, 15th April, 1864: "Dr. J. C. Ayer—Sir: I have taken your Pills with great benefit, for the biliousness, languor, loss of appetite, and Erysipelas, which has of late years overtaken me in the spring. A few doses of your Pills cured me. I have used your **Cheery Pectoral** many years in my family for coughs and colds, with unsatisfactory success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

"Pa. R. R. Office, Philadelphia, Dec. 13, 1863. "The efficacy of your medicines, having derived very material benefit from the use of both your Pectoral and Cathartic Pills. I am never without them in my family, nor shall I ever consent to be, while my means will procure them." The widely renowned S. S. STEVENS, M. D., of Westworth, N. H., writes: "Having used your **CATHARTIC PILLS** in my practice, I certify from experience that they are an invaluable purgative. In cases of disordered functions of the liver, causing headache, indigestion, costiveness, and the great variety of diseases that follow, they are a surer remedy than any other. In all cases where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are sure to make them an invaluable article for public use. I have for many years known your **Cheery Pectoral** as the best Cough medicine in the world, and these Pills are in no wise inferior to that admirable preparation for the treatment of disease."

"Dr. J. C. Ayer—Dear Sir: I have been afflicted from my birth with a cerebral in its worst form, and now after twenty years' trial, and an untold amount of suffering, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long."

"Never until now have I been free from this loathsome disease since my childhood. At times it attacked my eyes, and made me almost blind; it affected my bowels, and at others it settled in the scalp of my head, and destroyed my hair, and kept me partly bald all my life. I have given them to my children for worms, with the best effect. They were promptly cured. I recommended them to a friend for costiveness, which had troubled him for months. He told me in a few days they had cured him. You make the best medicine in the world; and I am free to say so."

"I have known the above named Maria Ricker from her childhood, and her statements are entirely true. I am, M. R. RICKER, ANDREW J. MESERVE, Overseer of the Portsmouth Manufacturing Co."

A LECTURE ON THE NATURE, TREATMENT, AND RADICAL CURE OF SPERMATORRHOEA, OF SEMINAL WEAKNESS, SEXUAL DEBILITY, NERVOUSNESS AND INVOLUNTARY EMISSIONS, PRODUCING IMPOTENCY, CONSUMPTION AND MENTAL AND PHYSICAL DEBILITY.

By ROBT. J. CULVERWELL, M. D.

The important fact that the awful consequences of self-abuse may be effectually removed without internal medicines or the dangerous applications of caustics, instruments, medicated bougies, and other empirical devices, is here clearly demonstrated, and the entirely new and highly successful treatment as adopted by the celebrated author fully explained by means of which every one is enabled to cure himself perfectly, and at the least possible cost, thereby avoiding all the advertised nostrums of the day. This lecture will prove a boon to thousands and thousands.

THE ONLY DISCOVERY

Worthy of any confidence for RESTORING THE BALD AND GRAY.

Many, since the great discovery of Prof. Wood, have attempted not only to imitate his restorative, but profess to have discovered something that would produce results identical; but they have all come and gone, being carried away by the wonderful results of Prof. Wood's preparation, and have been forced to leave the field to its resistless sway. Read the following:—
Bath, Maine, April 18th, 1859.
Prof. O. J. Wood & Co. Gents:—The letter I wrote you in 1856 concerning your valuable Hair Restorative, and which you have published in this vicinity and elsewhere, has given rise to numerous enquiries touching the facts in the case. The enquiries are, first, is it a fact of my habitation and name, as stated in the communication; second, is it true of all therein contained; third, does my hair still continue to be in good order and of natural color? To all I can and do answer invariably yes. My hair is even better than in any stage of my life for 40 years past, more soft, thrifty, and better colored; the same is true of my whiskers, and the only cause why it is not generally true, is that the substance is washed off by frequent ablution of the face, when it were used by the whiskers, the same result will follow as the hair. I have been in the receipt of a great number of letters from all parts of New England, asking me if my hair still continues to be good; as there is so much fraud in the manufacture and sale of various compounds as well as this, it has, no doubt been basely imitated and used, not only without any good effect, but to absolute injury. I have not used any of your Restorative of any account for some months, and yet my hair is as good as ever, and hundreds have examined it with surprise, as I am now 61 years old and not a gray hair in my head or on my face; and to prove this fact, I send you a lock of my hair taken off the past week. I received your favor of two quart bottles last summer, for which I am very grateful. I gave it to my friends and thereby induced them to try it, many were skeptical until after trial, and then purchased and used it with universal success. I will ask a favor, that you send me a test by which I can discover fraud in the Restorative, sold by many, I fear, without authority from you. A pure article will insure success, and I believe where good effects do not follow, the failure is caused by the impure article, which curses the inventor of the good. I deem it my duty as heretofore, to keep you apprised of the continued effect on my hair, as I assure all who enquire of me of my unshaken opinion of its valuable results. I remain, dear sir, yours,
A. C. RAYMOND

Prof. O. J. Wood: Dear Sir.—I would certainly be doing you a great injustice not to make known to the world, the wonderful, as well as the unexpected result I have experienced from using one bottle of your Hair Restorative. After using every kind of Restoratives extant, but without success, and finding my head nearly destitute of hair, I was finally induced to try a bottle of your Hair Restorative. Now, candor and justice compel me to announce to whoever may read this, that I now possess a new and beautiful growth of hair, which I pronounce richer and handsomer than the original was. I will here take occasion to recommend this valuable remedy to all who may feel the necessity of it. Respectfully yours,
REV. S. ALLEN BROCK.

P. S.—This testimonial of my approbation for your valuable medicine (as you are aware of) is unsolicited;—but if you think it worthy a place among the rest, insert it you wish; it does not detract from any other.

Yours, &c., Rev. S. A. B.

The Restorative is put up in bottles of three sizes, viz large, medium, and small; the small holds 1/4 pint, and retails for one dollar per bottle; the medium holds at least twenty per cent, more in proportion than the small, retails for two dollars per bottle; the large holds a quart, 40 per cent, more in proportion, and retails for \$3.

J. LANTZ, DENTIST.

Has permanently located himself in Stroudsburg, and moved his office next door to Dr. S. Walton, and nearly opposite S. Rees's Hat & Cap store, where he is fully prepared to treat the natural teeth, and also to insert incorruptible artificial teeth on pivot and plate, in the latest and most improved manner. Most persons know the danger and folly of trusting their work to the ignorant as well as much traveling dentist. It matters not how much experience a person may have, he is liable to have some failures out of a number of cases, and if the dentist lives at a distance, it is frequently put off until it is too late to save the tooth or teeth as it may be, otherwise the inconvenience and trouble of going so far—Hence the necessity of obtaining the services of a dentist near home. All work warranted.
