

internal viscera to purify the blood and stimu-Late it into healthy action. They remove the obstructions of the stomach, bowels, liver, and other organs of the body, and, by restoring their irregular action to health, correct, wherever they exist, such derangements as are the first causes of disease. An extensive trial of their virtues, by Professors Physicians, and Patients, has shown cures of dangerous diseases almost beyond belief, were they not substantiated by persons of such exalted position and character as to forbid the suspicion of untruth. Their certificates are published in my American Almanae, which the Agents below named are pleased to furnish free to all inquiring.

Annexed we give Directions for their use in the complaints which they have been found to cure. FOR COSTIVENESS. - Take one or two Pills, or such quantity as to gently move the bowels. Costiveness is frequently the aggravating cause of PILES, and the cure of one complaint is the cure of both. No person can feel well while under a costive habit of body. Hence it should be, as it can be, promptly relieved.

FOR DYSPERSIA, which is sometimes the cause of Costiceness, and plways uncomfortable, take mild doses - from one to four - to stimulate the stomach and liver into healthy action. They will do it, and the hearthurn, bodyburn, and southurn of dyspepsia will rapidly disappear. When it has gone, don't forget what cured you.

For a FOUL STOMACH, or Morbid Inaction of the Boxels, which produces general depression of the spirits and bad health, take from four to eight Pills at first, and smaller doses afterwards, until activity and strength is restored to the system.

FOR NERVOUSNESS, SICK HEADACHE, NAUSEA, Pain in the Stomach, Back, or Side, take from four to eight pills on going to bed. If they do not operate sufficiently, take more the next day until they do. These complaints will be swept out from the system. Don't wear these and their kindred disorders because your stomach is foul.

FOR SCROFULA, ERYSIPELAS, and all Diseases of the Skin, take the Pills freely and frequently, to keep the bowels open. The eruptions will generally soon begin to diminish and disappear. Many dreadful alcers and sores have been healed up by the purging and purifying effect of these Pills, and some disgusting diseases which seemed to saturate the whole system have completely yielded to their influence, leaving the sufferer in perfect health Patients! your duty to society forbids that you should parade yourself around the world covered with pimples, blotches, ulcers, sores, and all or any | pints. of the unclean diseases of the skin, because your system wants cleansing.

To PURIFY THE BLOOD, they are the best medicine ever discovered. They should be taken freel and frequently, and the impurities which sow the seeds of incurable diseases will be swept out of the system like chaff before the wind. By this property they do as much good in preventing sickness as by the remarkable cures which they are making every

LIVER COMPLAINT, JAUNDICE, and all Bilious Affections, arise from some derangement - either torpidity, congestion, or obstructions of the Liver. Torpidity and congestion vitiate the bile and rende it unfit for digestion. This is disastrous to the health, and the constitution is frequently undermined by no other cause. Indigestion is the symp tom. Obstruction of the duet which empties the bile into the stomach causes the bile to overflow into the blood. This produces Jaundice, with a long and dangerous train of evils. Costiveness, or alternately costiveness and diarrhoa, prevails. Feverish symptoms, languor, low spirits, weariness restlessness, and melancholy, with sometimes inability to sleep, and sometimes great drowsiness: sometimes there is severe pain in the side; the skin and the white of the eyes become a greenish yellow; the stomach acid; the bowels sore to the touch the whole system irritable, with a tendency to fever, which may turn to bilions fever, bilious colic, bilio diarrhea, dysentory, &c. A medium dose of three or four Pills taken at night, followed by two or three in the morning, and repeated a few days, will remov the cause of all these troubles. It is wicked to suffe RHEUMATISM, GOUT, and all Inflammatory Fe-ters, are rapidly cured by the purifying effects of these Pills upon the blood and the stimulus which they afford to the vital principal of Life. For these and all kindred complaints they should be taken in mild doses, to move the bowels gently, but freely.

As a DINNER PILL, this is both agreeable and
useful. No Pill can be made more pleasant to take,

the purpose for which a dinner pill is employed. PREPARED BY DR. J. C. AYER & CO., Practical and Analytical Chemists, LOWELL, MASS.,
