

The newspapers generally are discussing the supposed causes of Mr. Cameron's resignation, and now that it is no longer at the head of the war department, the journals which were the most bitter against him, discover his good traits of character as a public man, and give him credit for great vigor and universal capacity in the discharge of his duties. Even in the matter of the contracts which have been the most objected to in his public course, the New York Post offers the following tribute to his integrity:

"We willingly acquit Mr. Cameron of any participation in these robberies, and we doubt not that in many cases he was much astonished as we were with some of the disclosures made by the Investigating Committee of Congress, but this pillage occurred under his administration; it bore witness to his easy confidence, or to his want of proper vigilance, or to his deficiency in the power of repelling and overhauling an insinuating and impudent rogue. It was Mr. Cameron's misfortune to have been surrounded by too many of these men, and in the consciousness that he had not always opposed to their designs that rigid resistance which the country had a right to require of him, we may find sufficient ground for believing that his situation became more uncomfortable to him the longer he occupied it. Yet we must say of Mr. Cameron, that in the estimation of many, he retires from his extremely arduous post with more credit for talent and energy than he had when he accepted it."

AYER'S PILLS

Are curing the Sick to an extent never before known of a Medicine.

INVALIDS, READ AND JUDGE FOR YOURSELVES.

JULIUS HAUDEL, Esq., the well known perfumer, of Chestnut Street, Philadelphia, whose choice products are found at almost every toilet, says:

"It is a happy day for you CATHERINE PILLS, that I have found them a better family medicine, for common use, than any other within my knowledge. Many of my friends have realized benefits from the use of them, which coincide with me in believing that they possess extraordinary virtues for driving out diseases and curing the sick. They are not only effective, but safe and pleasant to be taken, qualities which must make them valued by the public, when they are known."

The venerable Classed Clerk **WARDLAW** writes from Baltimore, 12th April, 1862:

"Dr. J. C. AYER—Sir: I have taken your Pills with great benefit, for the looseness, languor, loss of appetite, and Bilious headache, which has of late years overthrown me in the spring. A few doses of your Pills cured me. I have used your Cherry Pectoral many years in my family for coughs and colds, with untiring success. You make medicines which cure, and I feel it a pleasure to commend you for the good you have done and are doing."

JOHN F. BEATTY, Esq., Sec. of the Penn. Railroad Co., says:

"Pa. R. R. Office, Philadelphia, Dec. 19, 1853. The efficacy of your medicines, as well as their beneficial effects upon your Family Pills, I am never without them in my family, nor shall I ever consent to be, while my means will procure them."

The widely renowned **DR. S. STEVENS, M. D.,** of West Chester, Ohio, writes from his office, 23d May, 1862:

"Having used your CATHERINE PILLS in my practice, I can truly state from experience that they are an invaluable purgative. In cases of indigestion, constipation, and the great variety of diseases that follow, they are a sure remedy than any other medicine I ever used. Where a purgative remedy is required, I confidently recommend these Pills to the public, as superior to any other I have ever found. They are safe in their operation, and perfectly safe—qualities which make them an invaluable article for public use. I have for many years known your Cherry Pectoral as the best cough remedy, and these Pills are in no wise inferior to that admirable preparation for the treatment of diseases."

ANON. MED., Nov. 23, 1853.

"Dr. J. C. AYER—Dear Sir: I have been afflicted from my birth with scrofula in its worst form, and, after many years of medical and surgical treatment, have been completely cured in a few weeks by your Pills. With what feelings of rejoicing I write can only be imagined when you realize what I have suffered, and how long."

"Never until now have I been free from this loathsome disease in some days. At times it attacked my eyes, and made me almost blind, besides the unendurable pain; at other times it settled in the scrofula of my head, and destroyed my hair, and I was kept in bed by it many days; sometimes it came out in my face, and kept it for months raw sore."

"About nine weeks ago I commenced taking your CATHERINE PILLS, and now I am entirely free from the disease. My eyes are well, my skin is fair, and my hair has commenced a healthy growth; all of which makes me feel already a new person."

"Hoping this statement may be the means of conveying information that shall do good to others, I am, with every sentiment of gratitude,
Yours, &c.,
MARIA RICHER."

ANDREW J. MESSEVE,
Overseer of the Portsmouth Manufacturing Co., says:

"Capt. JOEL PRATT, of the ship Marion, writes from Boston, 20th April, 1854:

"Your Pills have cured me from a bilious attack which arose from derangement of the Liver, which had become very serious. I had failed of any relief by my Physicians, and from every remedy I could try; but a few doses of your Pills have completely restored me to health. I have given them to my children for worms, with the best effects. They were promptly cured. I recommended them to a friend for colic, which had troubled him for months. He told me a few days they had cured him. You make the best medicine in the world; and I am free to say so."

Read this from the distinguished Solicitor of the Supreme Court, whose brilliant abilities have made him well known, not only in this but the neighboring States.

ANON. MED., 5th April, 1854.

"Sir: I have great satisfaction in assuring you that myself and family have been very much benefited by your medicines. My wife was cured, two years since, of a severe and distressing cough, by your Cherry Pectoral, and since then has enjoyed perfect health. My children have several times been cured from attacks of the influenza and colds, by your Cherry Pectoral. It is an invaluable remedy for these complaints. Your CATHERINE PILLS have entirely cured me from a dyspepsia and constiveness, which has grown upon me for some years. I attribute entirely to the effects of your CATHERINE PILLS. Yours with great respect,
LUCIUS H. MALLEY."
