SCROPULA AND SCROPULOUS DISEASES. From Emery Edes, a well-known merchant of Oxford, Maine. " I have sold large quantities of your SARSAPAR-ILLA, but never yet one bottle which failed of the desired effect and full satisfaction to those who took it As fast as our people try it, they agree there has been no medicine like it before in our community." Eruptions, Pimples, Blotches, Pustules,

I add my testimony to that you publish of the medicinal virtues of your SARSAPARILLA. My daughter, aged ten, had an afflicting humor in her ears, eyes, and hair for years, which we were unable to cure until we tried your SARSAPARILLA. She has been well for some months."

From Mrs. Jane E. Rice, a well-known and muchesteemed lady of Dennisville, Cape May Co., N. J. "My daughter has suffered for a year past with a scrofulous eruption, which was very troublesome. Nothing afforded any relief until we tried your SAB-SAPARILLA, which soon completely cured her." From Charles P. Gage, Esq., of the widely-known firm

of Gage, Murray & Co., manufacturers of enam-elled papers in Nashua, N. H. " I had for several years a very troublesome hu mor in my face, which grew constantly worse until it disfigured my features and became an intolerable affliction. I tried almost everything a man could of both advice and medicine, but without any relief whatever, until I took your SARSAPARILLA. It immediately made my face worse, as you told me it might for a time; but in a few weeks the new skin began to form under the blotches, and continued until my face is as smooth as anybody's, and I am without any symptoms of the disease that I know of. I enjoy perfect health, and without a doubt owe it to your SARSAPARILLA."
